Say You Saw it in the Timetable of Classes

University of Illinois – Fall 2001

# STUDY TIPS

*IF YOU'VE EVER SPENT HOURS STUDYING ONLY TO DISCOVER YOU HAVEN'T RETAINED ANYTHING THE NEXT DAY, THE FOLLOWING TIPS MAY HELP YOU TO STUDY MORE EFFECTIVELY.*

## WHEN & WHERE TO STUDY

- ☼ It is recommended to study two hours for every hour spent in class.
- ☼ Establish a study schedule for each class and stick to it.
- ☼ Don't pull an all nighter. You will retain more without wearing yourself out if you study in more regular, shorter sessions.
- ☼ Identify gaps in your schedule that can be used for studying. For example, the time between classes or waiting for a bus is perfect for reviewing notes.
- ☼ Set up a study area in a quiet place. Be sure to have everything you may need within reach.

## STAYING FOCUSED

- ☼ Start each study session by setting goals. Prioritize your work by deadlines and by the amount of time the material will take to get through.
- ☼ Break up a study session with short breaks to stay alert. Get up and move around. Try incorporating breathing and stretching exercises to really get a fresh start.
- ☼ Eliminate distractions such as television or radio noise. Noisy roommates? Try the library or another study area on your campus.
- ☼ Make sure others respect your study time; learn to say no to demands that will interrupt it.
- ☼ Don't overdo it. Only do what is appropriate.

# 16 Qualities Sought By Employers

## 1 Ability to Communicate

Do you have the ability to organize your thoughts and ideas effectively? Can you express them clearly when speaking or writing? Can you present your ideas to others persuasively?

## 2 Flexibility

Are you capable of changing and being receptive to new situations and ideas?

## 3 Intelligence

Do you have the ability to understand the job assignment? Can you learn the details of a business operation? Are you able to contribute original ideas for growth?

## 4 Self-confidence

Do you demonstrate a sense of maturity that enables you to deal positively and effectively with situations and people?

## 5 Willingness to Accept Responsibility

Do you recognize needs and problems and initiate responses and solutions?

## 6 Interpersonal Skills

Can you bring out the best efforts of individuals so they become effective, enthusiastic members of a team?

## 7 Self-knowledge

Can you realistically assess your own capabilities? Do you see yourself as others do? Can you clearly recognize your strengths and weaknesses?

## 8 Ability to Handle Conflict

Can you successfully contend with stressful situations and antagonism?

## 9 Competitiveness

Do you have the capacity to compete and the willingness to compare your performance to others?

## 10 Initiative

Do you have the ability to identify the purpose for work and to take action?

## 11 Leadership

Can you guide and direct others to attain the recognized objectives?

## 12 Energy Level

Do you demonstrate a forcefulness and capacity to make things move ahead? Can you maintain your work effort at an above-average rate?

## 13 Imagination

Can you confront and deal with problems that may not have standard solutions?

## 14 Goal Achievement

Do you have the ability to identify and work toward specific goals? Do such goals challenge your abilities?

## 15 Vocational Skills

Do you possess the positive combination of education and skills required for the position you seek?

## 16 Direction

Have you defined your basic personal needs? Have you determined what type of position will satisfy your knowledge and goals?

# TIPS FOR INCREASING ENERGY & DECREASING FATIGUE

**MAINTAIN A BALANCED DIET.** Protein, fat and carbohydrates should be included in each meal - this balances blood sugar and promotes steady energy flow.

**REDUCE CONSUMPTION OF SUGAR & WHITE FLOUR.** These foods tend to unbalance blood sugar levels and give only quick and short bouts of energy.

**MINIMIZE USE OF STIMULANTS (CAFFEINE, ETC).**

**AVOID STRESS.** Energy should be saved for when you really need it.

**GET PLENTY OF SLEEP.**

**TAKE BREAKS.** Relax, stretch and focus on breathing.

## STREET SENSE

Stay alert and tuned in to your surroundings

Stick to well-lit, busy streets

Communicate the message that you're calm, confident and know where you're going

Keep your car locked at all times

Walk or jog with a companion whenever possible

Have your key in hand as you approach your car, dorm, or apartment

Avoid flashing cash or valuable

Know when to call for help or a problem in your neighborhood

## Introduction to the Timetable

The *Timetable* is the listing of course offerings for the term, and includes instructions on when, where, and how to register and drop and add classes; tuition and fees and billing information; academic calendar information; how to get a replacement ID card; etc. Therefore, please keep it for future reference. Updated information on course offerings is also available by checking *Timetable* course section information on the World Wide Web (<http://www.uiuc.edu/timetable>) and from college and departmental advisers.

While every effort is made to provide accurate and up-to-date information, the University reserves the right to change without notice statements in the *Timetable* concerning rules, policies, procedures, tuition, fees, curricula, courses, or other matters. All course registrations are accepted subject to enrollment conditions set by the offering departments. In addition, colleges and departments reserve the right to:

- IMPOSE ENROLLMENT requirements and prerequisites,
- REASSIGN STUDENTS to other sections in a course,
- WITHDRAW STUDENTS from certain courses or sections after enrollment,
- CANCEL COURSE offerings or sections for legitimate educational reasons.

Students considering enrollment in military science, naval science, or air force aerospace studies courses should be aware that University policy prohibits discrimination on the basis of sexual orientation: students may enroll in these courses regardless of sexual orientation. As of the date of printing of this publication, students seeking to enroll in ROTC are not asked to disclose their sexual orientation. However, homosexual conduct is grounds for disenrollment from the program.

### How to Use the World Wide Web *Timetable*

The *Timetable* is also on the campus network (UIUCnet), via a service called the "World-Wide Web" (WWW).

The WWW version allows convenient browsing of the *Timetable* with the following advantages:

- TIMELINESS:** including a real-time enrollment status for each section.
- CROSS-REFERENCED INFORMATION:** Every course is linked to more complete course descriptions found in the online Course catalog.
- HELPFUL INFORMATION:** Supplemental information is available, e.g., links to a campus map showing class locations.
- YOU CAN SEARCH** it via an easy-to-use index.

The WWW *Timetable* can be viewed on the network by using a browser program on a PC, Mac, or Unix system. Some common browsers are NCSA Mosaic, Netscape, or Lynx. If you are familiar with using a WWW browser (i.e., if this computer jargon hasn't bewildered you), you may view the *Timetable* using the following URL (the "address" of the *Timetable* on the WWW):

**<http://www.uiuc.edu/timetable>**

A document explaining in greater detail how to view the WWW *Timetable* may be obtained at most CCSO locations, including computer sites across campus and the CCSO Resource Center (1420 DCL, 244-1258). Ask for "Using the WWW *Timetable* on the Campus Network." Consultants in the Resource Center can also help you learn about WWW browsers.

The WWW browsers are available on all CCSO site computers, so you may view the WWW *Timetable* at any CCSO site.

# General Information

## Addresses and Phone Numbers are Important

Have you moved recently or since you were last enrolled? Be sure to keep the Office of Admissions and Records informed of your current address and telephone number. That way you will not miss receiving important registration, college, and related information.

Each student is responsible for keeping the following addresses current on

### U OF I DIRECT:

LOCAL ADDRESS (for mail sent during the term; this address is automatically updated for students living in University residence halls)

PERMANENT ADDRESS (for mail sent between terms)

EMERGENCY ADDRESS

You may also update your telephone information on U OF I DIRECT. The University phone operators' listings, the Student/Staff Directory, and your entry to the online phone book will include the phone number listed in U OF I DIRECT.

## Student Records Policy

It is University policy to comply fully with the Family Educational Rights and Privacy Act of 1974 as amended. The University will not disclose information that it maintains as part of its normal course of business without the consent of the student. For complete information concerning record release and student access rights, refer to Rules 60 through 68 in the August 2000 *Code of Policies and Regulations Applying to All Students*. (The *Code* is available on the Web at [http://www.uiuc.edu/admin\\_manual/code](http://www.uiuc.edu/admin_manual/code).)

The University has designated certain categories of information as directory information. Students' consent to release this information is implied. A currently enrolled student may instruct the University to withhold one or both categories of directory information by submitting a request form to the Office of Admissions and Records prior to the end of the fifth day of instruction for a

term. Regardless of a student's enrollment status, a request to withhold directory information remains in force until the student submits a subsequent request removing the restriction. Forms may be obtained and filed at the Records Service Center, 901 W. Illinois Street.

### Personal Information

- The student's name
- Addresses
- Telephone numbers
- Date of birth
- Weight and height, if an athletic team member

### Academic Information

- The student's name
- College
- Curriculum and major field of study
- Class level
- Dates of attendance
- Full- or part-time status
- Institutions previously attended
- Degrees, honors, and certificates received or anticipated
- Eligibility for membership in registered University honoraries
- Participation in officially recognized activities and sports

If a student has elected to withhold either personal or academic information, the University will respond to inquiries as follows: **"The student has instructed us not to reveal this information."**

If a student has elected to withhold both categories of directory information, the University will respond to inquiries as follows: **"There is no information available for any student by that name."**

### Identification Cards

Each student is issued a permanent photo identification card which must be retained by the student while registered

at the University. The ID card remains the property of the University, and any student who alters or intentionally mutilates a University ID card, who uses the ID of another, or who allows his or her ID card to be used by another may be subject to discipline. A charge of \$20 (amount subject to change) is assessed for replacing each lost, mutilated, confiscated, or stolen photo ID card.

You are required to present your ID card for identification purposes at the request of an agent of the University when the agent is acting in the performance of his or her supervisory or security function (e.g., examination proctor, police officer, residence hall director or adviser, recreational facility supervisor, ticket taker, or usher). You may be subject to discipline if you refuse to provide your University ID card when requested by an agent of the University.

When performing his or her duties, an agent of the University may confiscate your ID card if an individual other than yourself attempts to use the card to represent him/herself as a duly registered student, if the ID card you present is not valid at the time you attempt to represent yourself as a duly registered student, or if the ID card has been reported as lost, stolen, or replaced.

**If you cannot find your ID card, go to the Campus ID Center immediately and complete a Lost/Stolen Property Report.**

Questions regarding the issuance of ID cards may be directed to the Campus ID Center, Room 204 Illini Union Bookstore, 809 South Wright Street, or call 244-0135.

### Nondiscrimination Statement

The commitment of the University at the most fundamental principles of academic freedom, equality of opportunity, and human dignity requires that decisions involving students and employees be based on individual merit and be free from invidious discrimination in all its forms.

It is the policy of the University of Illinois not to engage in discrimination

or harassment against any person because of race, color, religion, sex, national origin, ancestry, age, marital status, disability, sexual orientation, unfavorable discharge from the military, or status as a disabled veteran or a veteran of the Vietnam era and to comply with all federal and state nondiscrimination, equal opportunity, and affirmative action laws, orders, and regulations. This nondiscrimination policy applies to admissions, employment, and access to and treatment in the University programs and activities. Complaints of invidious discrimination prohibited by University policy are to be resolved within existing University procedures.

For additional information on the equal opportunity, affirmative action, and harassment policies of the University, or information on Title IX, ADA, or 504, please contact: for the Urbana-Champaign campus: Associate Chancellor William Trent, Third Floor East, Swanlund Administration Building, MC-304, 601 East John Street, Champaign, IL 61820, (217) 333-4238; or Director Larine Cowan, First Floor West, Swanlund Administration Building (MC-304), 601 East John Street, Champaign, Illinois 61820; (217) 333-0885.

### Students with Disabilities

Students with disabilities who have not registered for services with the Division of Rehabilitation Education Services, 1207 S. Oak Street, and who wish to request accommodations for any or all of the classes in which they are registering should contact the coordinator for Student Services with the Division at 333-4602 (voice) or 333-1970 (TTD).

### Compliance with State Immunization Law

Each admitted applicant entering the University after July 1, 1989, is subject to the requirements of Illinois Public Act 85-1315, which requires students to provide evidence of immunity to certain vaccine-preventable diseases. All students subject to the provisions of this law have received a copy of the McKinley Health Center Student Health Report Form with their Notice of Admission. Students who fail to return the form by the date shown are encumbered for the next term. Students who fail to comply with state law before the start of the next term are prohibited by law from enrolling in that or any subsequent term.

### Health and Safety

Important information about alcohol and other drugs and about campus safety is available at <http://www.uiuc.edu/safety/report/>.

In compliance with federal law, this information describes campus policies and resources to help you manage your health and safety.

### Semester Hour Requirements

Undergraduate students are required to pursue a normal program of study, which varies by college and curriculum. More or less than a normal program may be permitted only by authority of the dean of the college or his/her designated representative.

For undergraduate, graduate, and professional students, the minimum program required in a semester for receipt of maximum educational benefit payments under the Veterans Readjustment Benefits Act of 1966 and receipt of social security benefits as a dependent is 12 semester hours or 3 units.

### Classification of Students

The Registrar's Office uses only the following definitions in the classification of enrollment:

<b>Full-time Students:</b>	<b>Undergraduates</b>	<b>Graduate</b>
Fall/Spring Semesters	12 or more hours	3 or more units

<b>Half-time Students:</b>		
Fall/Spring Semesters	6–11.5 hours	1.5–2.75 units

#### Class Level:

Freshmen	0–29.9 hours
Sophomores	30–59.9 hours
Juniors	60–89.9 hours
Seniors	90 hours and above

Graduate students are certified as advancing one year of study if they were registered in two semesters. Graduate students on a consecutive summer-session-only pattern are advanced one year after completion of three eight-week summer sessions. A graduate student may not be certified as having advanced one year more than once within a twelve-month period.

### Intercampus Enrollment Program

The Intercampus Enrollment program is intended to allow students at one campus of the University the opportunity to take advantage of opportunities unique to another campus of the University without having to transfer. It is not designed to replace concurrent enrollment or transfer. The program also provides for summer enrollment at another University campus should financial aid be required. For complete information see the Web site at <http://www.uoapa.uillinois.edu/intercamp/intercampus.html>.

### Transcripts of Courses and Grades

A student in debt to the University is not entitled to receive a diploma or an official statement or transcript of credits until the indebtedness has been paid or suitable arrangements for payment have been made, unless the student has pending a bankruptcy petition seeking a discharge of all such indebtedness, or such indebtedness has been discharged.

A student who graduates or withdraws from the University and has an outstanding loan from the University of Illinois will not be issued a transcript until he/she has completed an exit interview with the Office of Student Accounts and Cashiers, 162 Henry Administration Building.

The charge for an official transcript is \$5 per copy (amount subject to change). The charge for a written certification of enrollment or other data is \$4 per copy. The charge for additional copies *ordered at the same time and sent to the same address or picked up* is \$2 per copy.

Transcripts may not be ordered by telephone. They must be ordered using the World Wide Web at <http://www.oar.uiuc.edu/records/transcript.html>, or by mail addressed to the Transcript Department, University of Illinois at Urbana-Champaign, 901 W. Illinois Street, Urbana, IL 61801. A check or money order made payable to University of Illinois must accompany the order. Payment may also be made using Visa, MasterCard, or Discover Card.

# Welcome To U OF I DIRECT Registration

When you use your Network ID and password to access U OF I DIRECT from personal computers at multiple locations on campus (or via dial-up with modem), you will be welcomed to U OF I DIRECT registration, followed by a request to verify your local address and the Main Menu of Options. You then select an option by pressing the appropriate key(s) on the keyboard.

A registration checklist and Schedule Planning Form, included in the *Timetable*, will help you develop your schedule before you log onto U OF I DIRECT.

You will be assigned a Registration Time based on the number of hours/units completed or in progress, according to campus policy.

Through U OF I DIRECT you can:

- REGISTER and add/drop classes
- UPDATE your address and telephone information
- PROVIDE information on appointment/graduation status
- OBTAIN a copy of your early registration schedule

Some classes are listed in the *Timetable* as "authorization only." Contact the department for approval before using the U OF I DIRECT system to register in one of these classes.

The U OF I DIRECT system will control for Registration Time; class size, academic program, maximum credit, advising hold (if applicable), and encumbrances. If an advising hold has been placed on your record, it must be removed before you can register. You should resolve all encumbrances as soon as possible. If you have an encumbrance on your record, access to U OF I DIRECT to register or to drop or add classes will be blocked approximately three weeks prior to the first day of instruction. **If you have an encumbrance on your record as of 5:00 PM the first day of instruction, your course registration for the term will be cancelled.** You can

avoid having your course registration cancelled by resolving encumbrances.

Assistance using U OF I DIRECT will be available at the Records Service Center, 901 W. Illinois Street, from 8:30 AM until 4:45 PM, Monday through Friday. If you need information or assistance using U OF I DIRECT, contact registration@oar.uiuc.edu or call 333-6565.

## Student Responsibility

**YOU ARE RESPONSIBLE** for knowing and adhering to the policies, deadlines, and procedures in the *Timetable*. Careful reading of the various sections of this booklet will help you avoid enrollment problems.

**U OF I DIRECT is the University system to register for courses by computer. When you do so, you agree to pay tuition and fees to the University according to the payment policies and schedules adopted by the Board of Trustees. If you wish to cancel your registration, and thus avoid payment of tuition and fees charges, you must do so by 5:00 PM of the first day of instruction.**

**Unauthorized use of University of Illinois computer systems, data, or resources; unauthorized use of another individual's identification, account, or password; or an attempt to gain unauthorized access is prohibited by University policy and may constitute a violation of Illinois state law. Access to U OF I DIRECT will be terminated if you are found to be making excessive unsuccessful registration attempts.**

**AS AN ENROLLED STUDENT**, you are responsible for knowing and complying with the regulations of the University, your college, and the departments offering the courses you are taking, and for fulfilling the requirements for your particular degree. You may obtain the regulations of your college at the college office.

You are expected to conduct yourself at all times in accordance with accepted principles of responsible citizenship and with due regard for the rights of others.

You are advised to obtain a copy of the *Code of Policies and Regulations Applying to All Students*. That publication is available for inspection at college and departmental offices and libraries, at the Illini Union Information Desk, the Student Organizational Complex in the Illini Union, in the lobby of the Turner Student Services Building, and at the Records Service Center, 901 W. Illinois Street. The *Code* is also available on the Web ([http://www.uiuc.edu/admin\\_manual/code](http://www.uiuc.edu/admin_manual/code)).

## NOTICE

The Family Educational Rights and Privacy Act affords students certain rights with regard to their educational records. See <http://www.oar.uiuc.edu/current/ferpa.html> (Notice of Rights with Respect to Educational Records) for the complete text of the Notification of Rights and page 6 of this document for additional information concerning educational records.

# Registration Procedures

## Registration Time - Invitation to Register

All eligible continuing and re-entry students are assigned a Registration Time, according to priorities established by campus policy. The Registration Time is the first time a student can access U of I DIRECT registration for the term. You will be informed of your Registration Time in your Invitation to Register, mailed to your local address, approximately two weeks before the start of the Registration Period. (If you did not receive this mailing, please go to the Records Service Center, 901 W. Illinois.) Within each priority grouping, Registration Times are assigned in intervals first by the number of hours earned plus the number of hours (if any) in progress. Further assignment, as necessary, is done randomly by student ID number.

## Eligibility to Register

In general, students currently enrolled in Illinois degree programs can register early for the 2001 fall semester. You may **not** register early if you are:

- A part-time nondegree student.
- A student graduating prior to August 2001, unless you have been admitted to an Illinois graduate, professional, or second baccalaureate degree for fall semester 2001.
- A student newly admitted to a university degree program. Information about your initial registration procedures will be included in your Notice of Admission.

## Advising Hold

Academic advising is recommended for all students and is required in most programs. You are encouraged to meet with your adviser to discuss your plan of study before using U of I DIRECT to register.

An advising hold may be placed on your record if you are in a college/department in which advising is a mandatory prerequisite to registration. In such cases you must complete an advising session before your college/department will clear you to enroll using U of I DIRECT. For additional information on the advising hold, please contact your college office.

## Encumbrances

Academic and administrative offices may place encumbrances on your record for academic reasons, funds owed to the University, judicial reasons, and for failure to meet medical/immunization requirements. If you have an encumbrance(s) on your record, resolve it with the appropriate campus office as soon as possible. You will be informed of any encumbrance(s) on your Invitation to Register, on your Official Class Schedule and each time you access U of I DIRECT. An encumbrance will not prohibit you from participating in early registration. You

can continue to use the system to make course changes until your Official Class Schedule is mailed to you approximately three weeks prior to the beginning of the term.

After the Official Class Schedule is mailed, however, all encumbered students will be blocked from access to the U of I DIRECT registration sequence. Students will be alerted to the presence of any encumbrance(s) on the Official Class Schedule and directed to the appropriate office(s) to resolve them. **Failure to resolve the encumbrance(s) prior to 5:00 PM of the first day of instruction will result in cancellation of your course registration for the term.**

## Enrollment Requirements and Prerequisites

Many courses carry prerequisites and other enrollment requirements such as "consent of instructor," "enrollment limited to majors," "seniors only," "honor students," etc. These requirements are listed with each course and many are computer controlled. You are expected to comply with these prerequisites and enrollment requirements. Failure to do so may result in your being removed from the course. Should you have questions regarding these requirements, please contact the teaching department.

## "Authorization Only" Courses

Some courses require departmental authorization prior to registration. If you are interested in an "authorization only" course listed in the *Timetable* you should consult the teaching department prior to your Registration Time. If you meet the enrollment requirements for the course, the department will authorize you online to enroll in the course. You, in turn, must register for the course using U of I DIRECT.

## Maximum/Minimum Enrollment Levels

The maximum amount of credit in which a student can enroll without special overload approval from his/her college office is:

### Fall and Spring Terms

Undergraduates	18 hours
Graduate, Vet Med, Medicine	5 units (20 hours)
Law	16 hours

### Summer Term I

Undergraduates	4 hours
Graduate, Vet Med, Medicine	1½ units (6 hours)
Law	6 hours

### Summer Term 2

Undergraduates	9 hours
Graduate, Vet Med, Medicine	3 units (12 hours)
Law	6 hours

Should you wish to enroll above the established maximum, consult your college office.

**U of I DIRECT** will display a warning message if you are not enrolled in a full course load for the term. Enrollment below the minimum may jeopardize your financial aid status, progress towards a degree, or visa status if you are an international student. Full-time enrollment for undergraduate students is 12 or more hours, for graduate students, 3 or more units.

During the fall and spring semesters, full-time undergraduate and professional students will not be permitted to reduce their credit load below 12 hours after the first day of instruction. College approval is required to carry a load of fewer than 12 hours.

### Credit-No Credit

The credit-no credit grading option is designed to encourage students to explore areas of academic interest that they might otherwise avoid for fear of poor grades. All students considering this option are cautioned that many graduate and professional schools consider applicants whose transcripts bear a significant number of nongrade symbols less favorably than applicants whose transcripts contain none or very few. Likewise, in computing a preadmission grade-point average, some schools may convert the NC symbol to a failing grade because they do not know whether the actual grade was a D or F.

Credit-no credit courses are not counted toward the grade-point average, but are included as part of the total credit hours and are assessed as credit hours.

Instructors are not informed of those students in their classes who are taking work under the credit-no credit option, and they report the usual letter grades at the end of the course. These grades are automatically converted to CR or NC. Grades of C- or better are required to earn credit.

The credit-no credit option is not available on **U of I DIRECT**. Should you wish to elect this option, please consult your college office or graduate department.

### Policy on Intercollege Transfer

An intercollege transfer applicant is one who is currently registered in an undergraduate college at UIUC and who wishes to be considered for admission to another undergraduate college at UIUC. Intercollege transfer applicants are considered on the basis of the intercollege admission requirements of the new college and availability of space in the chosen programs. This policy does not apply to students in the Graduate College, a professional college, or the College of Nursing.

The campus has designated two periods each term for intercollege transfer. They are:

**TWO WEEKS PRIOR** to the beginning of the Registration Period for each term. Curriculum changes will not be allowed after registration begins.

**ONE WEEK PRIOR** to the start of instruction for the term and through the first week of instruction.

If you intend to apply for intercollege transfer, you should do so within these designated time frames. Your access to certain courses is dependent upon your college of enrollment.

### Student Health Insurance

The University's Board of Trustees requires that all students be covered by a health insurance plan, either the University's Student Health Insurance Plan or a plan determined by the University to be equivalent. Request for exemption from the health insurance fee, purchase of dependent coverage, etc., are limited to specific time periods at the beginning of each semester. See Student Health Insurance Plan section on page 21 for deadline dates and instructions.

### U of I DIRECT Network ID and Password

To access **U of I DIRECT**, you will use your Network ID and password. All UIUC students are assigned a Network ID and password when they are admitted to the University.

As with any computerized system, security of the data is a primary concern. In order to maintain the security of your student records and class schedule, it is imperative that you protect your Network ID and password. NEVER tell anyone your password. NEVER let anyone use your Network ID and password. The importance of your password is much like that of a bank card PIN—ALWAYS protect the privacy and security of your password. You are encouraged to change your password periodically to maintain the security of your Network ID.

You may change your Network ID password using a secure online Web page at <https://www-s.uiuc.edu/bluestem/kpasswd.cgi>. You may also change your password using a computer at any CCSO site. Staff at these locations can assist you. A document entitled, "Changing Your Network ID and Password" is also available at these sites. It describes the procedure you use to change your password. If you forget your password, go to the Account Services desk at the CCSO Resource Center at 1420 DCL between 8:30 and 5:00 PM, Monday through Friday to have your password reset so you can resume using your network ID.

If you have questions or concerns about your Network ID and password, contact the CCSO Resource Center (1420 DCL, 244-1258).

## Locations - Where Can I Register?

### Dial-up Access via Modem

You may access U of I DIRECT using a modem. For complete details, see the section entitled "U of I DIRECT Registration Instructions."

## U of I DIRECT Registration Checklist

### ☐ Have Your U of I DIRECT Registration Materials

To register for courses using U of I DIRECT you need:

**U of I DIRECT** Schedule Planning Form (located in the back of the *Timetable*)

**YOUR** Network ID and password

**YOUR** Registration Time from your Invitation to Register

If you did not receive your Invitation to Register, contact the Records Service Center, 901 West Illinois Street, 333-6565.

### ☐ Meet with Your Adviser

**ACADEMIC** advising is recommended for all students and is required in many programs.

**DISCUSS** with your adviser alternative course selections in case your first choice offerings are full or unavailable to you.

**COMPLETE** the Schedule Planning Form as a guide.

### ☐ Prepare for Enrollment Restrictions that May Be Placed by Departments

#### Consent Instructor/Authorization Required:

If you plan to select courses requiring consent of instructor or departmental approval, contact the department offering the course to obtain permission **PRIOR TO** registering via U of I DIRECT. Approval to register in **AUTHORIZATION ONLY** courses is entered into the U of I DIRECT system online by the department offering the course. You, in turn, must register for the course using U of I DIRECT.

#### Independent Study Courses:

Independent study courses require the instructor's permission before registering. If you select an independent study course, obtain permission from the instructor **PRIOR TO** registering via U of I DIRECT.

#### Courses with Prerequisites:

Many courses have prerequisites. The prerequisites are intended to help you succeed in the course. You are expected to comply with them. You may be removed from a course for failure to comply with the prerequisites.

#### Courses with Restrictions:

Some courses have restrictions which limit registration to students meeting certain criteria, e.g., college, curricula, year in school, honors, or placement test scores. Many restrictions are computer controlled. You may be removed from a course if you do not meet the course criteria. Consult the department offering the course if exceptions to these restrictions are required.

### ☐ Clear Advising Hold and Encumbrances

**IF YOU HAVE** an advising hold and/or an encumbrance(s) on your record, that information will appear on your Invitation to Register and in the U of I DIRECT system.

**THE ADVISING** hold must be cleared online by your college or department before you can register using U of I DIRECT.

**AN ENCUMBRANCE** should be resolved as soon as possible, but will not block your access to U of I DIRECT registration until after your Official Class Schedule has been mailed to you, approximately three weeks prior to the first day of instruction for the term. **IF you have an encumbrance on your record as of 5:00 PM on the first day of instruction, your course registration for the term will be cancelled.**

### ☐ Use a Computer on Campus (or via Modem) to Register

**WITH THE** foregoing steps completed, use your Schedule Planning Form (located in the back of the *Timetable*) as a guide to register in courses via U of I DIRECT. There are multiple points of access to U of I DIRECT conveniently located on campus. Many of these locations are listed in the *Timetable*. Dial-up access via modem is also available.

**CONTINUING** students can download the U of I DIRECT software to their own computers and run the application over a modem. See <http://www.uiuc.edu/ccso/pubs/connect/kermit/> for more information about downloading this program. This software is not available to incoming students.

### ☐ Register for a Complete Schedule

**YOU ARE** advised to register for a complete schedule of courses for the term as soon as possible following your Registration Time.

**ALTHOUGH** additional seats may become available in a few courses, and additional sections may be added to some courses prior to the start of the term, you should not delay completing your schedule based on the assumption that seats will eventually become available in courses which have closed.

**COMPLETE** a workable course schedule early, even if every course is not your first choice.

### ☐ Verify Your Addresses

**YOU ARE** required to provide a local and a home address. If either is blank, U of I DIRECT will require that you provide the addresses before you will be allowed to add courses.

**MAKE CERTAIN** that your local, home, and emergency addresses are correct so you don't miss any important information from the University.

### ☐ Graduate Students: Check Your Appointment

**A GRADUATE** student with a teaching or research appointment must choose menu option F from the U of I DIRECT Main Menu. Select the letter that corresponds to the percent time of your appointment to ensure that you receive proper credit for your tuition and service fee waivers.

### ☐ If you expect to receive your degree at the end of the term . . .

**BE SURE** to check menu option E to petition for your degree.

## U of I DIRECT Registration Instructions

### Logging on to U of I DIRECT

Once at a computer on campus that has the **U of I DIRECT** registration software, use the following instructions to access the system. Carefully follow the provided instructions that explain the necessary way to exit the system. Failure to do so may compromise your password.

#### From a Macintosh on Campus

##### To log on:

**DOUBLE** click on the icon entitled "**U of I DIRECT** Registration". The location of this program will vary depending upon which computer you use. In the CCSO public sites, the **U of I DIRECT** registration program can be found in **MAC\_APPS:U of I DIRECT**.

A dialog box will prompt you to "Please enter your Network ID and password."

**PRESS** the <Tab> key until the Network ID field is highlighted.

**TYPE** in your Network ID.

**PRESS** the <Tab> key. The password field should be highlighted.

**TYPE** in your password.

**PRESS** <Return>. After a brief delay, you will see a message that says "Welcome to the **U of I DIRECT** System."

**FOLLOW** the instructions on the screen to continue. Complete your registration.

##### To log off:

**CHOOSE** option "X" on the Main Menu and press <Return>.

**FROM** the exit screen, choose "X" to exit the **U of I DIRECT** system and press <Return>.

**ONCE** you have chosen "X" to exit and pressed <Return>, the window should disappear, indicating that you have successfully exited the system.

#### From a PC on Campus

##### To log on:

**RUN** the **U of I DIRECT** registration program. The location of this program will vary depending upon which computer you use. In the CCSO public sites, the **U of I DIRECT** registration program can be found on the menu under "Network Services."

**DOUBLE-CLICK** on the icon entitled "**U of I DIRECT** Registration."

**WHEN** prompted at the "Enter your Network ID:", type in your Network ID at the prompt and press <Enter>.

**NEXT** the program will prompt you for your "Password." Type in your password and press <Enter>. After a brief delay, you will see a message that says "Welcome to the **U of I DIRECT** System." (If this message does not display, you may have typed your Network ID or password incorrectly. Run the program again and try retyping your Network ID and password).

**FOLLOW** the instructions on the screen to continue. Complete your registration.

##### To log off:

**CHOOSE** option "X" on the Main Menu and press <Enter>.

**FROM** the exit screen, choose "X" to exit the **U of I DIRECT** system and press <Enter>.

**ONCE** you have chosen "X" to exit and pressed <Enter> from the exit screen, you will see some messages including "Tickets destroyed". You have successfully exited the **U of I DIRECT** system. If you are at a CCSO site, remember to LOGOFF the machine, also.

#### Dial-up Access via Modem

If you have the necessary equipment (modem and a computer) AND you are a continuing student, you can install the **U of I DIRECT** software on your computer. See <http://www.uiuc.edu/ccso/pubs/connect/kermit> for directions.

If you have difficulty accessing **U of I DIRECT** with a modem, information and assistance is available from CCSO, phone 244-1258.

#### IMPORTANT NOTICE

Access to **U of I Direct** will be terminated if you are found to be making excessive unsuccessful registration attempts. The department office should be consulted if you need assistance in adding a particular course.

# Part-Time, Late, and Visitor Registration

## Part-Time Nondegree Registration

If you are a part-time nondegree student, you may register between Monday, Aug 27 and Friday, Sept 7. To register, follow the instructions for late registration. Part-time nondegree students who register on these dates will not be charged the late registration fine.

## Late Registration

CONDUCTED VIA **U OF I DIRECT** from Thursday, Aug 23, until 5:00 PM Friday, Sept 7. To complete late registration during this time period, follow the prior instructions in the *Timetable* beginning at "U of I DIRECT Registration Checklist."

**Students registering on or after Monday, Sept 10, lose the privilege of using U of I DIRECT.** Beginning Sept 10, after you have met with your adviser and secured any required course approvals and clearances, bring your completed Late Registration Form to the Records Service Center, 901 W. Illinois Street to complete registration.

**WARNING:** Very late registrants are reported to lenders of student loans as **NOT REGISTERED** until mid-term.

*There is a penalty for registering late.* You will be assessed a late registration fine of \$15 (amount subject to change) unless you are registering as a visitor.

## Registration of Visitors

A visitor is only a listener in a class and may not participate in any class activities. Visitors are not permitted in laboratory, military, kinesiology (other than theory), or studio classes. Students on "dropped" status are not eligible to attend classes as visitors.

To register as a visitor, written approval is required on an official Visitor's Permit available either at the Records Service Center, 901 W. Illinois Street, or at your college office. After obtaining the form, proceed according to one of the following conditions:

**IF YOU ARE** a currently enrolled student: Obtain permission from the instructor of the class and the approval of the dean of your college.

**IF YOU ARE** a former student not currently registered: Obtain the approval from the instructor of the class and the dean of the college in which you were last registered.

**IF YOU HAVE** not been previously registered at the University: Obtain the approval from the instructor of the class and the dean of the college in which the course is offered.

**IF YOU ARE** a staff employee of the University: In addition to obtaining other required approvals, you must secure the recommendation of the head of the department or unit in which you work.

After obtaining all required approvals on the Visitor's Permit form, bring the form to the Records Service Center, 901 W. Illinois Street to complete registration.

# Tuition and Fees

## Registration Charges, Payments, and Refunds

### Waivers and Exemptions

If you receive a waiver, you are assessed the amount of the charge but the amount is waived by University policy. Because you were assessed the charge, you are eligible to receive the benefits of the service provided by that charge.

If you are exempt from a particular charge, that charge is not assessed and therefore you are not eligible to receive the benefits of the services provided by the charge. If you have an exemption from any charge because you are registered in Credit Range IV, (law students Credit Ranges III, IV) you may obtain the benefits of the service provided by making individual arrangements. (See "Fees and How They Are Determined.")

Tuition and fee waivers are not granted for the Executive MBA or other full-cost programs. Detailed information on tuition and fee waivers and exemptions is published in the *Code of Policies and Procedures Applying to All Students*, which is available on the Web ([http://www.uiuc.edu/admin\\_manual/code](http://www.uiuc.edu/admin_manual/code)).

If you believe that you qualify for any of the waivers or exemptions, consult the staff at the Records Service Center, 901 W. Illinois Street.

### Tuition and Fee Assessments

Tuition rates are determined by the University Board of Trustees. Assessment is based on your college and your class, curriculum of enrollment, your residency classification, and your credit range.

### College of Enrollment

Your tuition rate is based in part on whether you are an undergraduate, graduate, or professional student. Among undergraduates in art, architecture, and music, there is a further differential between students in the lower (0-59.9 semester hours) and upper (60 semester hours or more) divisions. Undergraduate nondegree students are assessed at the upper-division rate. All students enrolled in engineering, chemical and life sciences, and art, architecture, and music, and the master's of business administration curricula are assessed a tuition surcharge.

Because the Professional Veterinary Medicine Program requires a full course of study each term, students in that curriculum are assessed a single tuition rate for each of the four years of the program.

Students enrolled in the nursing and medical sciences programs on the Urbana-Champaign campus are assessed tuition at Chicago campus rates. Fees are assessed at Urbana-Champaign campus rates.

Information about tuition rates for students in flight training, study-abroad, Executive MBA, and other special-cost programs may be obtained at <http://www.oar.uiuc.edu/current>, the Records Service Center, 901 W. Illinois Street, [registration@oar.uiuc.edu](mailto:registration@oar.uiuc.edu), or by calling 217-333-0210.

### Residence Classification

Another factor in determining your tuition rate is your residence classification (resident or nonresident of Illinois as defined and determined according to regulations approved by the University Board of Trustees). Your classification is based on information you provide on your admission application and other credentials. Residency rules are available on the Web (<http://www.uoapa.uiuc.edu/residency.html>).

To request a change in your residency classification, obtain a petition at the Records Service Center, 901 W. Illinois Street. You must submit the petition by October 1. If you fail to submit a petition within the allotted time period, you lose all rights to a change in status and adjustment of your assessed tuition for the term. Telephone (217) 244-3216 for additional information.

## Fees and How They are Determined

The fee schedule is fixed by the University Board of Trustees and is calculated on the basis of the number of semester hours or units of credit for which you are registered. Fees to be assessed this semester are:

**General Fee:** Supports certain fixed costs of fee-supported buildings (IMPE, Ice Arena, Assembly Hall, Illini Union, Athletic Facilities, etc.) on campus.

**Service Fee:** Supports salaries, programming, general expenses, and utilities for campus auxiliary service units such as the Illini Union, the Assembly Hall, and Campus Recreation. (*Students exempt from this fee because they are registered in Credit Ranges III & IV may obtain the services by paying the fall semester fee at a cashier's window in 100 Henry Administration Building by no later than 4:00 PM, Sept 27, 2001.*)

**Health Service Fee:** Supports salaries, programming, general expenses, and utilities for McKinley Health Center and the Counseling Center. (*Students exempt from this fee because they are enrolled in Credit Ranges III & IV may obtain the services by paying the fall semester fee at the McKinley Health Center Business Office by no later than 5:00 PM, Sept 27, 2001.*)

**Health Insurance Fee:** Covers the cost of premiums to the insurance carrier and the cost of administering the program.

**Transportation Fee:** Supports a campus and community busing plan for students. (*Students exempt from this fee because they are enrolled in Credit Ranges III & IV may obtain the services by paying the fall semester fee at the Division of Campus Parking by no later than 5:00 PM, Sept 27, 2001.*)

**Flight Training Fee:** Charged each student enrolled in flight training courses in addition to regular tuition and fee registration charges; based on the nature of each course.

**Krannert Fee:** Refundable; supports productions at the Krannert Center for the Performing Arts.

**SEAL Fee:** Refundable; assessed students registered on campus to supplement existing financial aid for needy students.

**SORF:** Refundable; supports the Student Legal Service and assists in funding programs and/or services of registered student organizations.

**ISG Fee:** Refundable; supports the activities of student government.

*Students exempt from KCPA, SEAL, SORF, and ISG fees because they are registered in Credit Ranges III & IV may participate in them by paying a \$17 fee at a cashier's window in 100 Henry Administration Building by no later than 4:00 PM, Sept 27, 2001. The charge will cover all four fees which may not be purchased separately.*

For refund dates on all refundable fees, see the section "Refund of Special Fees."

## Tuition and Fees Billings and Payments

### Important Dates

Sept. 21	Payment deadline if registered by 5:00 PM, Sept. 7
Sept. 10 and thereafter	Payment deadline is 4:00 PM on day of registration

Billings and payments for all registration charges, plus charges for University-operated housing, occur after classes begin. Billing is done on a Registration Statement of Charges and Aid which itemizes all registration charges, financial aid administered by the University, financial aid from external agencies (ISSC, VA, etc.), and any cash aid for which you are eligible. The statement also contains the date by which either full payment or the first payment on the installment plan (if approved) must be made. The availability of statements and the payment deadline dates are determined by when you register.

If you clear all encumbrances, and have classes on your record by the end of the first day of instruction (Aug 22), your Registration Statement of Charges and Aid will be mailed to your local address around Aug 28. Payment will be due on Sept 21. If your statement does not arrive by Sept 4, go to Window 7, 100 Henry Admin. Bldg. and request a duplicate. **IT IS YOUR RESPONSIBILITY AND OBLIGATION TO OBTAIN A STATEMENT AND TO PAY YOUR REGISTRATION CHARGES BY THE DUE DATE WHETHER OR NOT YOU RECEIVED A STATEMENT AT YOUR LOCAL ADDRESS.**

If you late register between Aug 23 and Sept 7, your payment will be due on Wednesday, Sept 21.

If you register Mon. Sept 10, or any day thereafter, you must make payment by 4:00 PM on the day of registration at a cashier's window in 100 Henry Administration Building.

Your registration statement will be mailed to the local address you provide through U of I DIRECT. You may make payment by U.S. mail, registration drop boxes (located in the Illini Union and the Henry Administration Building), or in person at a cashier's window in 100 Henry Administration Building.

### Payment Instructions

USE THE special registration drop boxes to return your payment. Do not use campus mailboxes.

ALLOW FIVE DAYS for delivery if you remit by U.S. mail.

DO NOT SEND CASH either through the mail or via the drop boxes.

IF PAYING WITH A DEBIT CARD, go to Window A in room 100 Henry Administration Building. CREDIT CARDS ARE NOT ACCEPTED.

IF YOU MUST PAY IN CASH, pay at a cashier's window in 100 Henry Administration Building.

**Where Can I Make Payment?** If your payment deadline is Friday, Sept 21, you may use either U.S. mail or registration drop boxes (not campus mail boxes) to return your statement along with a check or money order in the correct amount. If you must pay in cash, go to a cashier's window in 100 Henry Administration Building.

Special registration drop boxes for payment of registration charges will be available until Friday, Sept 21, at the following locations:

HENRY ADMINISTRATION BUILDING (east and west entrances)

ILLINI UNION (southwest entrance)

**Can I Pay by Installment?** An installment plan for paying tuition and fees and single-student residence hall charges is available to students enrolled on campus. **This privilege is not extended to registration in extramural, correspondence, and Summer Term I courses, or to students to whom the privilege has been denied.**

Charges for the semester are collected in three installments; the first payable by the due date shown on the original statement, and the remaining installments payable in October and November.

A one-time finance charge of 1 percent of the total amount deferred, or \$2 (amount subject to change), whichever is greater, is made against accounts being paid under the installment plan. An installment payment of charges becomes delinquent on the first day of the month following the date payment was due. Students with delinquent accounts exceeding the dollar limitation may be denied charging privileges.

If you either pay your registration charges on the installment plan or make no payment at all and then later either withdraw

from the University or reduce your registration to a lower credit range after the established refund deadline date for the semester, you are liable for the full amount of tuition and fees assessed.

**What If I Don't Make Payment by the Due Date?** The due date for payment either in full or by installment is printed on your statement. If you do not make full or first-installment payment by the scheduled due date shown on the statement, you will be assessed a \$25 (amount subject to change) registration late payment charge that will be billed to your student account.

A delinquent service charge of 1 1/2 percent or \$2 (amount subject to change), whichever is greater, is added per month to delinquent student accounts. At any point in the semester, a student who has a delinquent account exceeding the dollar limitation may be denied charging privileges. The delinquent service charge is applied to all items charged to the student account and for which payment is delinquent.

If you are in debt to the University at the end of any term, you may not be permitted to register in the University again. You are not entitled to receive either a diploma or an official transcript of your credits until you have either paid the indebtedness or made suitable arrangements for payment, unless you either have a bankruptcy petition that seeks a discharge of all such indebtedness or all such indebtedness has been discharged.

**Special Warnings about Payments.** A penalty of \$15 (amount subject to change) is assessed for each check you present to the University that is returned to the Office of Student Accounts and Cashiers because of insufficient funds or for other reasons. Check cashing privileges may be suspended when more than one check is returned to the University. In most cases, the person who endorses a two-party check is the one liable for any penalties charged if that check is returned.

Additional penalties, INCLUDING DISMISSAL FROM THE UNIVERSITY, may be imposed on students who permit their University accounts to

become delinquent or who issue checks that are returned to the University unpaid.

### **Taxpayer Relief Act of 1997**

Several new tax benefits became available to eligible students and their families with the enactment of the Taxpayer Relief Act of 1997. This legislation grants eligible taxpayers a tax credit for qualified higher education expenses. Two of those credits are the Hope Scholarship Credit and the Lifetime Learning Credit.

The University of Illinois' Web site contains information about the Taxpayer Relief Act including information from the Internal Revenue Service (IRS). For a full explanation of the tax credits, visit the Web Page on the Internet.

<http://www.uoapa.uillinois.edu/TRA>

**Important:** Please note that only the IRS or a tax professional can provide tax advice on this legislation. Contact one of these resources if you have questions about the law. The University cannot provide tax information or advice.

# Student Health Insurance Plan

The University provides and administers a health insurance plan which is mandatory for those students who have not provided proof of other equivalent health insurance coverage by the semester deadline. The fee for the plan is assessed along with other tuition and fees; tuition and fee waivers do not apply to the student insurance fee. Coverage is worldwide and extends, including breaks, from the first day of the semester (Summer 2 is a semester) to the first day of the following semester. The insurance plan is independent of McKinley Health Service and benefits are not contingent upon McKinley Health Service referrals. Benefits are detailed in the Student Health Insurance Plan booklet which is available at the Student Insurance Office at 807 South Wright, Suite 480, Champaign, IL 61820; (217) 333-0165, or on the Web at <http://webster.uihr.uiuc.edu/students>. See below for information and instructions regarding fee exemption, dependent coverage, etc.

## Fall Semester Health Insurance - Enrollment Change Period:

Aug 20–Noon, Sept. 21, 407 Illini Union

All Student Insurance transactions must be accomplished by the Insurance Deadline either in person or by U. S. Mail to the Student Insurance Office located at 807 S. Wright, Suite 480, postmarked on or before the Insurance Deadline. Visit our Web site at <http://webster.uihr.uiuc.edu/students> to download required forms, or call (217) 333-0165. Requests made by any other means will be invalid and could result in missing the deadline.

## Purchase Health Insurance for Spouse and/or Children

MUST BE applied for during the Enrollment/Change Period identified above, either in person, or postmarked through the U. S. Mail to the Student Insurance Office, 807 S. Wright, Suite 480. See our Web site at <http://webster.uihr.uiuc.edu/students> to download necessary forms, or call (217) 333-0165.

DEPENDENT coverage becomes effective on the date of application and receipt of premium or the beginning date of the semester for which coverage is being purchased, whichever is later.

DEPENDENTS insured the prior semester will have no lapse in coverage provided the application and premium are received during the enrollment change period.

DEPENDENTS acquired (marriage, birth, entry into U.S.) after the above enrollment period may be added to coverage provided application is made and premium paid within 31 days of the eligibility date (date of marriage, birth, or entry into U.S.). Coverage becomes effective on the date of eligibility. Payment of a full semester's premium for the semester in which the eligibility date occurred is required.

## Coverage Extensions beyond Last Semester Enrolled and Insured

INSURANCE coverage ends on the beginning date of the next semester; however, it can be extended for the next school period if an Extension is purchased by the semester deadline. For example, if you were a student and insured for Spring and will not be a student in the Summer Term 2, coverage will not continue through Summer Term 2 unless you elect to purchase a Summer 2 Extension.

EXTENSIONS for fall semester may be purchased beginning July 16, 2001, at the Student Insurance Office or at 407 Illini Union, from Aug. 20, through noon, Sept. 21, 2001.

THE PREMIUM is payable at time of application.

## Exemption from Health Insurance Fee

PETITIONS for exemption must be completed in person or postmarked through the U. S. Mail to the Student Insurance Office, 807 S. Wright, Suite 480, during the Enrollment Change Period identified above. See our Web site at <http://webster.uihr.uiuc.edu/students> to download necessary forms, or call (217) 333-0165.

PROOF of other insurance must be provided; acceptable proof can be your insurance identification card, a copy of the policy, plan booklet, or notice on company letterhead from the employer or company

certifying your coverage. Other insurance must be in effect by the first day of instruction for the semester exemption is requested.

AN EXEMPTION will automatically continue until reinstatement to the plan is requested (see Reinstatement below) or if you do not respond to a periodic request to confirm that you continue to be covered by another health insurance plan, or three consecutive semesters of non-registered status. Summer Term 2 is a semester.

## Reinstatement Conditions

APPLY within 31 days of the loss of other insurance; coverage is guaranteed and will be effective the date of application or date of other coverage termination, whichever is later. Proof of other coverage termination is required.

APPLY more than 31 days after loss of other insurance or if no loss of other coverage has occurred, by providing evidence of good health. If approved, coverage is effective the date of application and will be subject to a pre-existing condition limitation for the first 120 days of coverage.

A FULL semester premium is required regardless of effective date.

## Graduate Student Dental and Vision Assistance Plan

Graduate assistants and fellows who have tuition waivers accompanying their appointments in the fall term will be automatically enrolled for 12 months without charge in the dental and vision plan upon the completion of their appointment papers. All other graduate students, as well as dependents of graduate students and assistants, will be able to enroll in the same basic dental and vision program by completing the necessary enrollment form and paying the annual premium. The fall enrollment period is the same as that for student health insurance, August 20, 2001 through noon on September 21, 2001. Enrollment for the dental and vision plan can be done in room 407 of the Illini Union during this period. A brochure describing the Graduate Student Dental Plan and the Vision Service Plan is available from the Student Insurance Office.

# Refunds

## Reduction of Program Range

If you reduce your course enrollment to a lower assessment range (e.g., from Range I to Range II), you receive a refund of the full difference between the two ranges, provided the change is made by 5:00 PM, Friday, Sept. 7, 2001. No refund is available thereafter.

In the case of extenuating circumstances, such as medically documented serious illness or injury, an exception to the refund period may be made by the director of admissions and records, acting on a petition submitted by a student.

In all cases, a student who is enrolled in only one course and who wishes to discontinue enrollment must withdraw from the University by completing the withdrawal process by the stated deadline. (See Withdrawal From the University)

## Refund Deadlines

You may be released from your obligation to pay **all** tuition and fees by canceling your registration by 5:00 PM, Aug. 22, 2001.

You may be released from your obligation to pay **part** of the tuition and fees by:

**REDUCING** your program by 5:00 PM, Friday, Sept. 7, 2001.

**WITHDRAWING** from the University by 4:45 PM, Friday, Nov. 2, 2001.

## Refunds of Special Fees (Subject to change)

**Krannert Fee.** A refund of the Krannert Fee is available to those students who do not desire to participate. This refund is available September 24 - September 28.

**SORF.** A refund of SORF is available to those students who do not desire to participate. This refund is available October 1 - October 5.

**ISG.** A refund of ISG is available to those who do not desire to participate. This refund is available October 1 - October 5.

**SEAL Fee.** A refund of the SEAL Fee is available to those students who do not desire to participate. This refund is available October 8 - October 12.

**Flight Training Fee.** If you withdraw from a flight-training or glider course you will receive a refund of the unused portion of the flight-training, glider, or aviation course fees, upon recommendation of the Institute of Aviation.

## Canceling Your Registration

Before the end of the first day of instruction, you may cancel your registration and be relieved of all tuition and fee charges. You may cancel your registration in one of the following ways:

**ONLINE** by using **U of I DIRET**, no later than 5:00 PM on the first day of instruction of the term you wish to cancel.

**By SUBMITTING** a request for cancellation of registration to the Office of Admissions and Records. The request must be received no later than 5:00 PM on the first day of instruction of the term you wish to cancel. Requests by mail should be addressed to the Office of Admissions and Records, 901 W. Illinois Street, Urbana, IL 61801.

**IN PERSON** at the Records Service Center, 901 W. Illinois Street, by 5:00 PM on the first day of instruction of the term you wish to cancel.

You may cancel your registration provided you have neither attended any classes nor received any related student services. If you cancel your registration and do not plan to return for a future term, you must also cancel any future courses for which you have registered.

If you either attend a class or use campus services and then wish to leave the University, you must officially withdraw.

# Withdrawal from the University

To withdraw, you must follow established withdrawal procedures beginning with completion of a withdrawal form available from the office of the dean of your college or graduate department.

To obtain a partial refund of fall semester registration charges, you must deposit a completed withdrawal form at the Records Service Center, 901 W. Illinois Street, no later than 4:45 PM, Friday, November 2, 2001. No refund is available thereafter. In cases of extenuating circumstances, such as medically documented illness or injury, an exception to the refund period may be made by the director of admissions and records, acting on a petition submitted by a student. Petition forms are available at the Records Service Center, 901 W. Illinois Street.

If you officially withdraw within the refund period, you will receive a pro-rata refund based upon the date on the withdrawal clearance form.

Withdrawal effective date:	Percent of assessed tuition and refundable fees refunded:
Aug 22, 2001	100 percent (cancellation)
Sept 7, 2001	90 percent
Sept 14, 2001	80 percent
Sept 28, 2001	70 percent
Oct 12, 2001	60 percent
Oct 19, 2001	50 percent
Nov 2, 2001	40 percent

Assessed tuition, the service fee, the general fee, and the transportation fee are refunded on a pro-rata basis, less a pro-rata administrative fee of 5% of the assessed amount or \$100, whichever is less. The health insurance and health services fees are not refundable.

If you withdraw, you continue to be covered by health insurance and are eligible to receive health services (if you paid these fees) until the first day of instruction for the next term. Before a refund is made to you, the University must make a refund to appropriate financial aid programs providing assistance to you. If you are indebted to the University at the time of withdrawal, the amount owed will be deducted from the amount of any refund available.

If you are permitted to pay tuition and fees on the installment plan, or if you make no payment at all, and then withdraw from the University, you are liable for the full amount of tuition and fees originally assessed less applicable refunds.

Special refund policies apply to those who withdraw to enter either active duty in the armed forces or other approved national defense service.

## Courses Listings

The following *Timetable* of courses offered by the University is subject to whatever changes may prove necessary at registration time. Notices of all changes in time or place of meeting of classes will be posted to the online *Timetable* (see page 2).

### Arrangement

The arrangement of subjects in this *Timetable* is alphabetical. The courses offered in each subject are listed numerically with headings to indicate the students for whom they are designed. Courses for undergraduates (designed primarily for freshmen and sophomores) are numbered 100 to 199; for undergraduates who satisfy the published requirements, 200 to 299; for primarily junior, senior, professional, and graduate students, 300 to 399; for graduate and professional students, 400 and above. Following the title of each course is a statement of the requirements, if any, for admission to the course.

### Class Periods

Class periods for each course are indicated by numerals for the hours of the day and by letters for the days of the week. For example, 8-10 MTWTh+ indicates that class periods begin at 8:00 AM and continue for approximately two hours on Monday, Tuesday, Wednesday, and Thursday; 11-1230 TT+ means that class periods begin at 11:00 AM and continue for ninety minutes on Tuesday and Thursday. Any class beginning after 6:00 PM is indicated by the letters PM. For example, 730-930PM+ indicates that the class period begins at 7:30 PM and continues until approximately 9:30 PM.

### Class Locations

The place of meeting of each class is shown by the number of the room and the name of the building. A listing of the building abbreviations may be found in this *Timetable*.

### Credit

Credit for undergraduate courses is counted in semester hours. A semester hour is one class period a week for one semester or the equivalent in laboratory work, fieldwork, or approved independent study. The number of hours for which each course counts is shown under the course.

Credit for graduate courses is counted in units. The unit value of each graduate course is indicated under the course. No course may be taken for graduate credit unless it is so designated in this *Timetable* or the online *Timetable*. In general, 1 graduate unit is the equivalent of 4 semester hours of undergraduate credit.

Some courses have variable credit, such as 3 to 5 hours or 0 to 2 units; in registering for a course with variable credit each student indicates the number of hours or units for which he or she intends to take the course on the **U OF I DIRECT** screen at the time of registration.

A course may not be taken for zero credit unless such credit is specifically authorized in the *Timetable*.

### Pending Sections

Pending sections are sections shown in the *Timetable*, but not yet open for students to register in. They are identified by the letters "PEND" in the space where the call number normally appears.

Departments may open pending sections later, if they have the staff to teach them and enough students enrolled. Once a pending section is opened, its call number appears both as an alternate selection on the registration screen, and in the *Timetable* listed in the World Wide Web.

You cannot enroll in a pending section until it is opened by the department. If you have questions about the possibility of a pending section being opened, please contact the department offering the course.

## First-Year Discovery Courses

In the First-Year Discovery Program, entry-level undergraduates can choose from a variety of small, faculty-taught courses that provide an opportunity to interact with faculty and other students from the start. Discovery sections are offered in many formats and disciplines, but all have in common the goal of helping first-year students in the transition to the intellectual community of the campus. All Discovery sections are small, with enrollments limited to twenty students or fewer; all are faculty-taught and interactive.

Discovery courses are listed in the body of the *Timetable*, where you can find the complete information needed to register for the courses, including the call numbers as well as

the lecture/lab/discussion section times and locations, and any enrollment restrictions. Descriptions of the courses and the faculty who will teach them can be found in the Discovery Booklet provided to all new freshmen students when they register during the summer. Course descriptions and faculty bios are also available at <http://www.provost.uiuc.edu/discovery/>.

Registration in the Discovery Program is restricted to first-year students. For a complete list of Discovery Courses, see the separate Discovery booklet, available May 2000. Booklets will be distributed at summer orientation.

## Campuswide General Education Courses

Courses approved for campus-wide General Education credit are identified throughout the *Timetable* using the abbreviations below:

Comp II = Composition II

W = Western/Comparative Culture(s)

NW = Non-Western Culture(s)

US = US Minority Culture(s)

HP = Historical and Philosophical Perspectives

LA = Literature and the Arts

LS = Life Sciences

PS = Physical Sciences

QR1 = Quantitative Reasoning I

BS = Behavioral Sciences

SS = Social Sciences

Although all of the courses marked as General Education in the *Timetable* are approved on the campus level, they may not satisfy specific requirements in individual curricula. Therefore, campus-wide approval does not guarantee that a course will satisfy the requirements of a specific college or curriculum. Students in teacher education programs must consult the Council on Teacher Education General Education Course List when selecting their courses to meet General Education requirements. All other students should consult their advisors about selecting the General Education courses which best fit their programs of study.

Please note that some courses are part of a General Education sequence and all courses in the sequence must be taken to receive General Education credit.

For General Education requirements and current course lists, see the General Education Web site at <http://www.provost.uiuc.edu/gened>.

## LAS LEARNING COMMUNITIES AT ILLINOIS FOR FIRST-YEAR STUDENTS

For Fall 2001, the College of Liberal Arts and Sciences (LAS) will be offering 61 Learning Communities for first-year students enrolled in the colleges of Commerce and Business Administration, Education, and Liberal Arts and Sciences. Each of the LAS Learning Communities will have 16-18 first-year students who share their experiences in two academic courses and a weekly seminar. Registration in a Learning Community reserves for first-year students a place in some of the highest demand first-year courses, and each Learning Community will be able to work each week with an upper-class honors student who has training and experience in study methods strategies which can assist the academic efforts of the first-year students. The department note should carry the following notation:

Section ??? First year LAS Learning Communities Program section. Priority registration will be given to Freshman participants in the LAS Learning Communities Program with some seats available for other students. For a listing of LAS Learning Communities, see the front portion of this Timetable.

STUDENTS WILL MEET WITH A DIFFERENT FACULTY MEMBER FOR ONE HOUR EACH WEEK INFORMALLY TO FIND OUT WHAT THE FACULTY MEMBER IS DOING IN ASTRONOMICAL OR ASTROPHYSICAL RESEARCH  
ASTR 199 SECTION R1 IS PRIMARILY MEANT FOR STUDENTS WHO ARE INTERESTED IN PURSUING INDEPENDENT STUDY OR A RESEARCH PROJECT WITH A FACULTY MEMBER BY FOLLOWING UP WITH ASTR 290 (INDIVIDUAL STUDY) IN THE SPRING SEMESTER. ASTRONOMY MAJORS AND PHYSICS MAJORS INTERESTED IN ASTRONOMY AND ASTROPHYSICS ARE STRONGLY ENCOURAGED TO TAKE THIS COURSE. DOING INDEPENDENT STUDY AND RESEARCH PROJECTS WITH A FACULTY MEMBER ARE IMPORTANT AND EFFECTIVE WAYS FOR STUDENTS TO LEARN IN A REALISTIC CONTEXT. THEY PROVIDE GOOD PREPARATION FOR SUMMER RESEARCH ASSISTANTSHIPS AT UIUC, AT NATIONAL OBSERVATORIES AND LABORATORIES, FOR GRADUATE STUDY, AND IN THE WORKING WORLD GENERALLY.

2 OR 3 HOURS, OR 0.5 OR 0.75 UNIT.

Teaching Chemistry at the Secondary Level.

Prerequisite: Undergraduate background in general chemistry.

Appropriate for Juniors, Seniors and Graduate Students. Course is intended for undergraduates working toward becoming certified to teach high school chemistry and graduate students working toward a Master's degree in the Teaching of Chemistry. Course aims to provide future teachers with hands-on experience in conducting laboratory experiments, demonstrations and teaching strategies appropriate for the high school level. Topics include laboratory safety and safe organization, storage and disposal of chemicals. In addition, future teachers will consider pedagogical issues including recent literature dealing with students' conceptions in chemistry. Course does not count toward the eleven hours of 300-level chemistry required in the specialized curriculum nor does it apply to coursework required for a Ph.D. in Chemistry.

**C S 100 FRESHMAN ORIENTATION IN COMPUTER SCIENCE.**

1 HOUR

Students should attend CS 100 beginning on October 9, 2001. For  
engineering students this is immediately after the end of ENG. 100.

Students may take the 4:00 section of ENG 100 as well as C S 100,  
since C S 100 begins after ENG 100 ends.

C S 100 should be taken by all freshman Computer Science majors  
in the Engineering College and by all freshman Mathematics-

Computer Science and Statistics-Computer Science majors in the  
LAS College. It may be taken by other students who are

interested in Computer Science careers. Students other than those  
in the Engineering College, and those in LAS Math-CS and Stat-CS,

must be authorized in Room 2270 DCL to register for this course.  
Authorization MUST be requested IN PERSON. Authorization will be

given on a space-available basis.

This course includes instruction in programming in the C language  
and various science and engineering-related computer applications.

Students who take this version of C S 101 will not be required to  
take C S 110 for graduation credit in Engineering curricula.

Register for one LECTURE section and one LAB-DISC section.

It is recommended that students take this class no earlier than  
their second semester.

Graduate students may not schedule CS 101.

Approximately 5 hours per week of computer homework must be done  
in scheduled and unscheduled laboratory sessions.

Evening hour exams will be given on Monday October 1, 2001 and  
Monday, November 5, 2001 at 7:00 p.m.

The goal of this 2 semester project is to introduce students to the  
motivation and requirements for building intelligent and mobile  
information spaces and to engage them in learning how to design  
information appliances.The project will 1) teach students how to design and build such  
spaces; and 2) encourage the use of these spaces in the existing  
computer science curriculum. Each student will be issued with an  
HP Jornada 680 and will have access to an HP Kiyak workstation and  
Chai software development environment.NOTE - STUDENTS ARE REQUIRED TO REGISTER FOR THIS COURSE IN AT  
LEAST TWO CONSECUTIVE SEMESTERS (summers may be excluded) TO

Engineering students for whom this course is required must  
contact the College Office, 206 Eng Hall, to drop.  
Enrollment may be restricted to freshman Engineering and other  
approved majors until Aug. 20. Non-majors and students seeking  
to transfer to the College of Engineering should consider Spring  
semesters as the best opportunity to take this course.

A systematic introduction to Einstein's theory, with emphasis on modern coordinate-free methods of computation. Topics include: review of special relativity, modern differential geometry, foundations of general relativity, laws of physics in the presence of a gravitational field, linearized theory, experimental tests of gravitation theories. The course is targeted to beginning graduate students and advanced undergraduates. Text: "Gravitation" by Misner, Thorne and Wheeler. PHYCS 425 is the first semester of a two-semester sequence that replaces PHYCS 424 (ASTR 424, MATH 460). It is offered every other year.

## PHYS 199BSCS

BEHAVIOR OF COMPLEX SYSTEMS: CHAOS, FRACTALS, AND ARTIFICIAL LIFE. The behavior of complicated systems with many parts will be explored with hands-on computer simulations and lab experiments. Students will experiment with lightning, turbulence, explosions, and human rhythms and use simple computer models to imitate their irregular and symmetric patterns and dynamics and will develop an intuition as to why isolated complex systems prefer harmony and symmetry whereas competing complex systems prefer chaos. Applications in business, engineering, and social sciences will be discussed.

A first year Discovery Program course: priority registration given to freshmen. Students should enroll in only one Discovery course. Students who enroll in more than one Discovery course may be dropped from the additional Discovery courses. For a listing of these courses, see the front part of the printed timetable; for course descriptions, see the Discovery Program course booklet.

## PHYS 199BHO

### HONORS SEMINAR: TOPICS IN ELECTRICITY AND MAGNETISM

PREREQUISITES: PHYS 111, CONCURRENT REGISTRATION IN PHYS 112, AND CONSENT OF INSTRUCTOR.

\*PHYS 199BHO CAN BE USED TO SATISFY THE HONORS COMPONENT OF PHYSICS 112.

Students investigate special topics in electricity and magnetism. Through weekly meetings (similar in format to the discussion sections of Physics 111 and 112), students will derive for themselves some of the surprising features of our post-classical physical world. For example, the need for special relativity, the existence of magnetic fields, and the origin of electromagnetic radiation are consequences of simple observations such as the constancy of the speed of light. Other topics will include the nature of Gauss' law and Maxwell's equations, potentials and superposition, amplifiers, analog computers, and the role of quantum mechanics in electrodynamics.

PHYS 199BHO is intended for students who have been comfortable with the level of difficulty of PHYS 111, and whose math skills are fairly strong. It allows students to confront in greater depth some of the most interesting intellectual issues in classical electrodynamics. The course will use calculus as a problem-solving tool.

A systematic introduction to Einstein's theory, with emphasis on  
modern coordinate-free methods of computation. Topics include:  
review of special relativity, modern differential geometry,  
foundations of general relativity, laws of physics in the presence  
of a gravitational field, linearized theory, experimental tests of  
gravitation theories. The course is targeted to beginning graduate  
students and advanced undergraduates. Text: "Gravitation" by  
Misner, Thorne and Wheeler. PHYS 425 is the first semester of a  
two-semester sequence that replaces PHYS 424 (ASTR 424, MATH 460).

GRADUATE PHYSICS ORIENTATION RESEARCH AND TEACHING IN THE PHYSICS  
DEPARTMENT

This course is required for all new physics graduate students. It  
includes advice on choosing a field of research and finding a  
research advisor. Current graduate students will relate their  
experiences and advice; faculty will present overviews on the major  
areas of research in the Department. Physics staff will explain our  
computing facilities, the physics and astronomy library, and other  
facilities. There will be general discussions on research and  
instructional topics as well as ethics in teaching and research.

MATHEMATICAL METHODS IN PHYSICS

Replaces PHYS 411/412

Focuses on core techniques widely used in the physical sciences.  
Emphasis is on applications, and a broad range of illustrative  
examples will be explored. Primary topics include: calculus of  
variations and its applications; partial differential equations of  
mathematical physics (including classification and boundary  
conditions); separation of variables, series solutions of ordinary  
differential equations and Sturm-Liouville eigenproblems; Legendre  
polynomials, spherical harmonics, Bessel functions and their  
applications, normal mode eigenproblems (including the wave and  
diffusion equations), inhomogeneous ordinary differential  
equations (including variation of parameters and Green functions);

ASTROPHYSICS

Replaces PHYS 402

Satisfies the physics graduate program "cafeteria" requirement.  
This course will survey astrophysical phenomena and processes  
relevant to the evolution of the Universe and structures in it,  
from the formation of stars and galaxies at the earliest times to  
the final end states of matter as compact objects. The emphasis  
will be on developing an understanding based on the underlying  
physics. Exciting recent developments will be described.  
Specific topics will include big bang cosmology and the cosmic  
microwave background radiation; formation, interaction, and  
evolution of galaxies; formation, structure, and evolution of  
stars; dynamics of stellar systems, white dwarfs, supernovae,  
neutron stars, and black holes; physics of accretion disks; the  
fate of the universe. Topics of special current interest will  
include cosmological inflation, dark matter in the universe,  
powerful gamma-ray bursts, feeding of quasars, generation of radio  
and X-ray emission by supermassive black holes, gravitational  
lensing, sources of gravitational radiation, and the solar  
neutrino problem. Course work will consist of weekly homework  
problems, a mid-term exam, and a final exam. The course will be  
based on lecture notes and readings, and will be taught at the  
level of the Astrophysics I and II texts by Bowers and Deeming.

STATISTICAL PHYSICS OF BIOLOGICAL INFORMATION AND COMPLEXITY.

Topics in biological information and complexity are presented,  
emphasizing how ideas from statistical physics can be useful in  
the "century of biology". Topics covered include gene and  
protein sequence analysis, protein and RNA structure  
prediction, genomics, population genetics, systems biology, and  
the evolution of complexity in biological and social systems.  
Prerequisites: PHYS 361 or equivalent; consent of instructor.  
No prior knowledge of biology is required.

PHYCS 498RIC  
PHYSICS OF ULTRARELATIVISTIC HEAVY-ION COLLISIONS  
The Brookhaven Relativistic Heavy-Ion Collider (RHIC) began operations in January 2000, colliding heavy atomic nuclei at energies of 100 GeV per nucleon in the center of mass frame. The aim is to study matter at the highest energy densities ever achieved in the laboratory. One expected outcome is the creation for the first time of a quark-gluon plasma, the matter of the early universe in the first microsecond after the Big Bang. This course is intended to enable both experimentalists and theorists to understand current developments at RHIC, it will describe the motivations for studying ultrarelativistic nuclear collisions, the basic physics of matter under extreme conditions, the physics of collisions, and review current results from ultrarelativistic collisions at lower energies. A basic knowledge of quantum mechanics, and nuclear and particle physics at the level of PHYCS 470 will be assumed. 1 UNIT.

4:00 PM or later	Tuesday	7:00-10:00 PM, Mon, Dec 10

**THE FINAL examination for a course is scheduled according to the full or half hour on Monday or Tuesday on which the class first meets regularly during the semester.** For example, if a course meets regularly at 10:00 AM on MWF, the examination must be given from 7:00 to 10:00 PM on Tuesday, December 11. The final examination for a course meeting regularly on TuTh from 2:30 to 4:00 PM must be given from 1:30 to 4:30 PM on Tuesday, December 11.

**IN A COURSE** having a combination of lecture and discussion and/or laboratory periods, the first *lecture* hour of the week is considered the first contact of the week for purposes of determining examination time. Call 244-9851 with questions about this.

**FOR A COURSE** not provided for in the examination schedule (i.e., one that meets for the first time on Wednesday or later), an arranged examination is to be given within the established examination schedule at the discretion of the instructor and at a time to avoid conflicts. A conflict examination must be given if necessary. The instructor must call the departmental office to schedule the room for the examination.

**ANY COLLEGE of Education** course at the 300- or 400-level that meets once a week must have a final examination on the same day and at the same time that the class regularly meets. The Office for Project Planning and Facility Management will make room assignments for such courses.

## Fall Semester 2001 Noncombined Final Examination Schedule

**December 10 Through December 15, 2001<sup>1</sup>**

This schedule does not apply to courses in the Colleges of Law and Veterinary Medicine, which publish separate schedules.

Illinois law requires the University to reasonably accommodate its students' religious beliefs, observances, and practices in regard to admissions, class attendance, and the scheduling of examinations and work requirements. All regulations governing final examinations will be applied in the context that an individual student's religious beliefs, observances, and practices will be reasonably accommodated if the student informs his or her instructor of the conflict within one week after being informed of the final examination schedule. Any student may appeal in writing an instructor's adverse decision to a request based on religious beliefs, observances, and practices; such appeal must be made to the dean of the student's college or to the director or dean of the student's school or institute (if such school or institute is organized as a separate unit). Before taking action, the dean or director should request that the instructor explain his or her denial in writing.

### Requirement

A final examination must be given during the scheduled final examination period for each course except in a course that has a character that renders a final examination unnecessary or impracticable. The head or chairperson of the academic department in which the course is offered determines when a final examination is not required.

### Time of Examination

An instructor must give a final examination at the time specified in the published schedule unless a change is approved in advance through the Office of the Vice-Chancellor for Academic Affairs. A request for change must be submitted through the executive officer of the department or school (if applicable) in which the course is offered and the dean of the appropriate college. **Requests for examination changes should be made only in cases of legitimate need and not just for the convenience of students and instructors.**

A request for change in the examination schedule will not be considered for approval unless the instructor

**HAS POLLED** the class to determine that an alternative date is desired by a majority of the class members, and

**ALSO OFFERS** the examination at the regularly scheduled time if some choose not to take it at the alternate time, and,

**HAS CONTACTED** the Office for Project Planning and Facility Management (244-9851) and has assurance that space is available in which to give the examination at an alternate time, if approved. The Office for Project Planning and Facility Management will not confirm space availability for early examinations until the twelfth week of the semester.

No semester final examination should be given during a "regular" class period unless this is deemed necessary by virtue of the course or the examination (e.g., a laboratory "practical" examination as one part of a final examination).

### NOTE:

**Undergraduate Students:** Except as provided for a request based on religious beliefs, observances, and practices, only the dean of a student's college may approve temporary postponement of the final examination in an individual case of an undergraduate student.

**Graduate Students:** A student's instructor is authorized to approve a request for postponement of the final examination in an individual case of a graduate student.

The 6-year graduation rate for students who entered school in the Fall of 1994 is 76.4%. This number is provided by the Office for Academic Policy Analysis. A complete student right-to-know report may be obtained from the Office of Public Affairs, 601 E. John, Champaign, IL 61820.

<sup>1</sup>An examination for a first half-term course should be scheduled at the end of the first half-term period; second half-term final examinations follow the schedule shown on page 31. If a first half-term examination is not scheduled in the regular classroom at the time the class usually meets, a special examination room must be reserved through the Office for Project Planning and Facility Management, 333-1230.

## Place of Examination

An examination will be held in the room where the course meets for the first lecture contact hour of the week, except in the case of a combined-sections examination, an examination for a course in which the instructor has requested additional space for the final examination, or a specifically scheduled examination. Instructors are to announce any special or changed room assignments.

## Take-Home Examination

If a take-home final examination is assigned, it is to be submitted by the student at the time and date of the regularly scheduled final examination. An instructor who wishes to depart from this practice, must follow the procedure for changing the final examination schedule as stated elsewhere in this section.

## Length of Examination

The maximum limit for an undergraduate final examination shall be three hours, except by special arrangement in individual cases approved by the dean of the appropriate college. At the discretion of the department, a shorter examination may be given.

## Conflicts

Normally in a semester several combined-section, conflict, and noncombined examinations are given at the same time. As a guide to resolving conflicts, an order of priority has been established within each examination period, and a student should resolve a conflict using the published examination schedules and the following priority guidelines.

- 1) National and state professional examinations (e.g., CPA, actuarial science, Architect Registration Examination) take priority over campus final examinations. An instructor must offer a conflict examination to a student scheduled to take national or state professional examination and a campus final examination at the same time.
- 2) A noncombined examination has precedence over combined-sections and conflict examinations.
- 3) Combined-sections examinations have precedence over conflict examinations.

A department offering a combined-sections final examination must provide a conflict examination if required to accommodate student conflicts.

A detailed combined-sections and conflict final examination schedule will be made available to departments on the Web.

## Students Having More than Two Consecutive Final Examinations

No student is required to take more than two consecutive semester final examinations. This means that if you take final examinations at 8:00 AM and 1:30 PM on the same day, you cannot be required to take another final examination that same day; however, you are required to take an examination scheduled for 8:00 AM the following day.

Similarly, if you have a final examination at 7:00 PM one day and another at 8:00 AM the next day, you cannot be required to take an examination at 1:30 PM that second day; you can, however, be required to take an examination at 7:00 PM of that second day.

If you have more than two consecutive final examinations scheduled, you are entitled to rescheduling, provided you take the following actions *no later than the last official day of instruction in the semester (December 7)*:

You MUST investigate whether a conflict examination is being held at another time for any of the examinations involved. (Instructional staff members are urged to announce any conflict final examinations by the last day of classes.)

IF A CONFLICT examination has been scheduled for any of the courses, you must take one or more of these conflict examinations. If conflict examinations are offered for more than one course, the student must take the conflict for the course that has the largest number of students.

IF NO CONFLICT examinations have been scheduled, you should contact the instructor of the course having the largest number of students. That instructor **must** provide a makeup examination. Remember, you must initiate contact with the instructor involved no later than the last day of instruction.

## Discipline for Violations of Academic Integrity

Procedures to be followed in cases of alleged cheating on final examinations may be found in the *Code of Policies and Regulations Applying to All Students*, which is available on the Web ([http://www.uiuc.edu/admin\\_manual/code](http://www.uiuc.edu/admin_manual/code)).

# Study in the REAL World!

## Prague

Prague has enjoyed a renaissance since 1989. The center of town has boutiques, modern shops and restaurants in a medieval setting.

The city's intellectual heart is Charles University where you will have an opportunity to study during Summer Study Abroad.

# SUMMER 2002 Study Abroad Program

South Africa is a leading cultural, artistic, and intellectual center. It is also home to the world's most important wildlife park, Kruger National Park.

During your six week study tour, you will experience the nation's diverse cultural, intellectual, and natural heritage.

## Introduction to the Timetable

The *Timetable* is the listing of course offerings for the term, and includes instructions on when, where, and how to register and drop and add classes; tuition and fees and billing information; academic calendar information; how to get a replacement ID card; etc. Therefore, please keep it for future reference. Updated information on course offerings is also available by checking *Timetable* course section information on the World Wide Web at [www.uiuc.edu/timetable](http://www.uiuc.edu/timetable) and from college and departmental advisers.

While every effort is made to provide accurate and up-to-date information, the University reserves the right to change without notice statements in the *Timetable* concerning rules, policies, procedures, tuition, fees, curricula, courses, or other matters. All course registrations are accepted subject to enrollment conditions set by the offering departments. In addition, colleges and departments reserve the right to:

- IMPOSE ENROLLMENT requirements and prerequisites,
- REASSIGN STUDENTS to other sections in a course,
- WITHDRAW STUDENTS from certain courses or sections after enrollment,
- CANCEL COURSE offerings or sections for legitimate educational reasons.

Students considering enrollment in military science, naval science, or air force aerospace studies courses should be aware that University policy prohibits discrimination on the basis of sexual orientation; students may enroll in these courses regardless of sexual orientation. As of the date of printing of this publication, students seeking to enroll in ROTC are not asked to disclose their sexual orientation. However, homosexual conduct is grounds for disenrollment from the program.

### How to Use the World Wide Web *Timetable*

The *Timetable* is also on the campus network (UIUCnet), via a service called the "World-Wide Web" (WWW).

The WWW version allows convenient browsing of the *Timetable* with the following advantages:

- TIMELINESS:** including a real-time enrollment status for each section.
- CROSS-REFERENCED INFORMATION:** Every course is linked to more complete course descriptions found in the online Course catalog.
- HELPFUL INFORMATION:** Supplemental information is available, e.g., links to a campus map showing class locations.
- YOU CAN SEARCH** it via an easy-to-use index.

The WWW *Timetable* can be viewed on the network by using a browser program on a PC, Mac, or Unix system. Some common browsers are NCSA Mosaic, Netscape, or Internet Explorer. If you are familiar with using a WWW browser (i.e., if this computer jargon hasn't bewildered you), you may view the *Timetable* using the following URL (the "address" of the *Timetable* on the WWW):

**[www.uiuc.edu/timetable](http://www.uiuc.edu/timetable)**

A document explaining in greater detail how to view the WWW *Timetable* may be obtained at most CCSO locations, including computer sites across campus and the CCSO Resource Center (1420 DCL, 244-1258). Ask for "Using the WWW *Timetable* on the Campus Network." Consultants in the Resource Center can also help you learn about WWW browsers.

The WWW browsers are available on all CCSO site computers, so you may view the WWW *Timetable* at any CCSO site.

### Notice to Commencement Participants

Graduates participating in a campuswide Commencement ceremony (as well as most unit Convocation ceremonies) are required to wear appropriate academic attire. Candidates from all colleges may be measured for caps and gowns in Room 210 (General Lounge) of the Illini Union at any one of the following times:

Tuesday, April 16	10:00 AM - 3:00 PM
Monday, April 22	10:00 AM - 3:00 PM

Additional opportunities to order regalia will be available via the Web. You are strongly advised to order a cap and gown if there is even a slight possibility of participating in a graduation ceremony. Rental fees are assessed only if the attire is picked up during the cap and gown distribution period.

**You must order your cap and gown by April 22.**

Campuswide Commencement guest tickets for all but doctoral candidates will be issued at the time of cap and gown measurement or may be picked up at the Illini Union Campus Information Desk or the Assembly Hall Ticket office. Doctoral candidates will receive their tickets from the Graduate College. Tickets are not required for participants.

# General Information

## Addresses and Phone Numbers are Important

Have you moved recently or since you were last enrolled? Be sure to keep the Office of Admissions and Records informed of your current address and telephone number. That way you will not miss receiving important registration, college, and related information.

Each student is responsible for keeping the following addresses current on U of I DIRECT:

LOCAL ADDRESS (for mail sent during the term; this address is automatically updated for students living in University residence halls)

PERMANENT ADDRESS (for mail sent between terms)

EMERGENCY ADDRESS

You may also update your telephone information on U of I DIRECT. The University phone operators' listings, the Student/Staff Directory, and your entry to the online phone book will include the phone number listed in U of I DIRECT.

## Student Records Policy

It is University policy to comply fully with the Family Educational Rights and Privacy Act of 1974 as amended. The University will not disclose information that it maintains as part of its normal course of business without the consent of the student. For complete information concerning record release and student access rights, refer to Rules 60 through 68 in the August 2001 *Code of Policies and Regulations Applying to All Students*. (The *Code* is available on the Web at [www.uiuc.edu/admin\\_manual/code](http://www.uiuc.edu/admin_manual/code).)

The University has designated certain categories of information as directory information. Students' consent to release this information is implied. A currently enrolled student may instruct the University to withhold one or both categories of directory information by submitting a request form to the Office of Admissions and Records prior to the end of the fifth day of instruction for a

term. Regardless of a student's enrollment status, a request to withhold directory information remains in force until the student submits a subsequent request removing the restriction. Forms may be obtained and filed at the Records Service Center, 901 W. Illinois Street.

## Personal Information

- The student's name
- Addresses
- Telephone numbers
- Date of birth
- Weight and height, if an athletic team member

## Academic Information

- The student's name
- College
- Curriculum and major field of study
- Class level
- Dates of attendance
- Full- or part-time status
- Institutions previously attended
- Degrees, honors, and certificates received or anticipated
- Eligibility for membership in registered University honoraries
- Participation in officially recognized activities and sports

If a student has elected to withhold either personal or academic information, the University will respond to inquiries as follows: **"The student has instructed us not to reveal this information."**

If a student has elected to withhold both categories of directory information, the University will respond to inquiries as follows: **"There is no information available for any student by that name."**

## Identification Cards

Each student is issued a permanent photo identification card which must be retained by the student while registered

at the University. The ID card remains the property of the University, and any student who alters or intentionally mutilates a University ID card, who uses the ID of another, or who allows his or her ID card to be used by another may be subject to discipline. A charge of \$20 (amount subject to change) is assessed for replacing each lost, mutilated, confiscated, or stolen photo ID card.

You are required to present your ID card for identification purposes at the request of an agent of the University when the agent is acting in the performance of his or her supervisory or security function (e.g., examination proctor, police officer, residence hall director or adviser, recreational facility supervisor, ticket taker, or usher). You may be subject to discipline if you refuse to provide your University ID card when requested by an agent of the University.

When performing his or her duties, an agent of the University may confiscate your ID card if an individual other than yourself attempts to use the card to represent him/herself as a duly registered student, if the ID card you present is not valid at the time you attempt to represent yourself as a duly registered student, or if the ID card has been reported as lost, stolen, or replaced.

**If you cannot find your ID card, go to the Campus ID Center immediately and complete a Lost/Stolen Property Report.**

Questions regarding the issuance of ID cards may be directed to the Campus ID Center, Room 204 Illini Union Bookstore, 809 South Wright Street, or call 244-0135.

## Nondiscrimination Statement

The commitment of the University at the most fundamental principles of academic freedom, equality of opportunity, and human dignity requires that decisions involving students and employees be based on individual merit and be free from invidious discrimination in all its forms.

It is the policy of the University of Illinois not to engage in discrimination

or harassment against any person because of race, color, religion, sex, national origin, ancestry, age, marital status, disability, sexual orientation, unfavorable discharge from the military, or status as a disabled veteran or a veteran of the Vietnam era and to comply with all federal and state nondiscrimination, equal opportunity, and affirmative action laws, orders, and regulations. This nondiscrimination policy applies to admissions, employment, and access to and treatment in the University programs and activities. Complaints of invidious discrimination prohibited by University policy are to be resolved within existing University procedures.

For additional information on the equal opportunity, affirmative action, and harassment policies of the University, or information on Title IX, ADA, or 504, please contact: for the Urbana-Champaign campus: Associate Chancellor William Trent, Third Floor East, Swanlund Administration Building, MC-304, 601 East John Street, Champaign, IL 61820, (217) 333-4238; or Director Larine Cowan, First Floor West, Swanlund Administration Building (MC-304), 601 East John Street, Champaign, Illinois 61820; (217) 333-0885.

## Students with Disabilities

Students with disabilities who have not registered for services with the Division of Rehabilitation Education Services, 1207 S. Oak Street, and who wish to request accommodations for any or all of the classes in which they are registering should contact the coordinator for Student Services with the Division at 333-4602 (voice) or 333-1970 (TTD).

## Compliance with State Immunization Law

Each admitted applicant entering the University after July 1, 1989, is subject to the requirements of Illinois Public Act 85-1315, which requires students to provide evidence of immunity to certain vaccine-preventable diseases. All students subject to the provisions of this law have received a copy of the McKinley Health Center Student Health Report Form with their Notice of Admission. Students who fail to return the form by the date shown are encumbered for the next term. Students who fail to comply with state law before the start of the next term are prohibited by law from enrolling in that or any subsequent term.

## Health and Safety

Important information about alcohol and other drugs and about campus safety is available at [www.uiuc.edu/safety/report/](http://www.uiuc.edu/safety/report/).

In compliance with federal law, this information describes campus policies and resources to help you manage your health and safety.

## Semester Hour Requirements

Undergraduate students are required to pursue a normal program of study, which varies by college and curriculum. More or less than a normal program may be permitted only by

authority of the dean of the college or his/her designated representative.

For undergraduate, graduate, and professional students, the minimum program required in a semester for receipt of maximum educational benefit payments under the Veterans Readjustment Benefits Act of 1966 and receipt of social security benefits as a dependent is 12 semester hours or 3 units.

## Classification of Students

The Registrar's Office uses only the following definitions in the classification of enrollment:

Full-time Students:	Undergraduates	Graduate
Fall/Spring Semesters	12 or more hours	3 or more units
Half-time Students:		
Fall/Spring Semesters	6-11.5 hours	1.5-2.75 units
Class Level:		
Freshmen	0-29.9 hours	
Sophomores	30-59.9 hours	
Juniors	60-89.9 hours	
Seniors	90 hours and above	

Graduate students are certified as advancing one year of study if they were registered in two semesters. Graduate students on a consecutive summer-session-only pattern are advanced one year after completion of three eight-week summer sessions. A graduate student may not be certified as having advanced one year more than once within a twelve-month period.

## Intercampus Enrollment Program

The Intercampus Enrollment program is intended to allow students at one campus of the University the opportunity to take advantage of opportunities unique to another campus of the University without having to transfer. It is not designed to replace concurrent enrollment or transfer. The program also provides for summer enrollment at another University campus should financial aid be required. For complete information see the Web site at [www.uoapa.uillinois.edu/intercamp/intercampus.html](http://www.uoapa.uillinois.edu/intercamp/intercampus.html).

## Transcripts of Courses and Grades

A student in debt to the University is not entitled to receive a diploma or an official statement or transcript of credits until the indebtedness has been paid or suitable arrangements for payment have been made, unless the student has pending a bankruptcy petition seeking a discharge of all such indebtedness, or such indebtedness has been discharged.

A student who graduates or withdraws from the University and has an outstanding loan from the University of Illinois will not be issued a transcript until he/she has completed an exit interview with the Office of Student Accounts and Cashiers, 162 Henry Administration Building.

The charge for an official transcript is \$5 per copy (amount subject to change). The charge for a written certification of enrollment or other data is \$4 per copy. The charge for additional copies *ordered at the same time and sent to the same address or picked up* is \$2 per copy.

Transcripts may not be ordered by telephone. They must be ordered using the World Wide Web at [www.oar.uiuc.edu/records/transcript.html](http://www.oar.uiuc.edu/records/transcript.html), or by mail addressed to the Transcript Department, University of Illinois at Urbana-Champaign, 901 W. Illinois Street, Urbana, IL 61801. A check or money order made payable to University of Illinois must accompany the order. Payment may also be made using Visa, MasterCard, or Discover Card.

# Welcome To U of I DIRECT Registration

When you use your Network ID and password to access U of I DIRECT from personal computers at multiple locations on campus (or via dial-up with modem), you will be welcomed to U of I DIRECT registration, followed by a request to verify your local address and the Main Menu of Options. You then select an option by pressing the appropriate key(s) on the keyboard.

A registration checklist and Schedule Planning Form, included in the *Timetable*, will help you develop your schedule before you log onto U of I DIRECT.

You will be assigned a Registration Time based on the number of hours/units completed or in progress, according to campus policy.

Through U of I DIRECT you can:

- REGISTER and add/drop classes
- UPDATE your address and telephone information
- PROVIDE information on appointment/graduation status
- OBTAIN a copy of your early registration schedule

Some classes are listed in the *Timetable* as "authorization only." Contact the department for approval before using the U of I DIRECT system to register in one of these classes.

The U of I DIRECT system will control for Registration Time; class size, academic program, maximum credit, advising hold (if applicable), and encumbrances. If an advising hold has been placed on your record, it must be removed before you can register. You should resolve all encumbrances as soon as possible. If you have an encumbrance on your record, access to U of I DIRECT to register or to drop or add classes will be blocked approximately three weeks prior to the first day of instruction. **If you have an encumbrance on your record as of 5:00 PM the first day of instruction, your course registration for the term will be cancelled.** You can

avoid having your course registration cancelled by resolving encumbrances.

Assistance using U of I DIRECT will be available at the Records Service Center, 901 W. Illinois Street, from 8:30 AM until 4:45 PM, Monday through Friday. If you need information or assistance using U of I DIRECT, contact: registration@oar.uiuc.edu or call 333-6565.

## Student Responsibility

**YOU ARE RESPONSIBLE** for knowing and adhering to the policies, deadlines, and procedures in the *Timetable*. Careful reading of the various sections of this booklet will help you avoid enrollment problems.

**U of I DIRECT is the University system to register for courses by computer. When you do so, you agree to pay tuition and fees to the University according to the payment policies and schedules adopted by the Board of Trustees. If you wish to cancel your registration, and thus avoid payment of tuition and fees charges, you must do so by 5:00 PM of the first day of instruction.**

**Unauthorized use of University of Illinois computer systems, data, or resources; unauthorized use of another individual's identification, account, or password; or an attempt to gain unauthorized access is prohibited by University policy and may constitute a violation of Illinois state law. Access to U of I DIRECT will be terminated if you are found to be making excessive unsuccessful registration attempts.**

**AS AN ENROLLED STUDENT**, you are responsible for knowing and complying with the regulations of the University, your college, and the departments offering the courses you are taking, and for fulfilling the requirements for your particular degree. You may obtain the regulations of your college at the college office.

You are expected to conduct yourself at all times in accordance with accepted principles of responsible citizenship and with due regard for the rights of others.

You are advised to obtain a copy of the *Code of Policies and Regulations Applying to All Students*. That publication is available for inspection at college and departmental offices and libraries, at the Illini Union Information Desk, the Student Organizational Complex in the Illini Union, in the lobby of the Turner Student Services Building, and at the Records Service Center, 901 W. Illinois Street. The *Code* is also available on the Web ([www.uiuc.edu/admin\\_manual/code](http://www.uiuc.edu/admin_manual/code)).

### NOTICE

The Family Educational Rights and Privacy Act affords students certain rights with regard to their educational records. See [www.oar.uiuc.edu/current/ferpa.html](http://www.oar.uiuc.edu/current/ferpa.html) (Notice of Rights with Respect to Educational Records) for the complete text of the Notification of Rights and page 6 of this document for additional information concerning educational records.

# Registration Procedures

## Registration Time - Invitation to Register

All eligible continuing and re-entry students are assigned a Registration Time, according to priorities established by campus policy. The Registration Time is the first time a student can access U of I DIRECT registration for the term. You will be informed of your Registration Time in your Invitation to Register, available at [www.oar.uiuc.edu/current/grades.html](http://www.oar.uiuc.edu/current/grades.html). Within each priority grouping, Registration Times are assigned in intervals first by the number of hours earned plus the number of hours (if any) in progress. Further assignment, as necessary, is done randomly by student ID number.

## Eligibility to Register

In general, students currently enrolled in Illinois degree programs can register early for the 2002 spring semester. You may **not** register early if you are:

- A part-time nondegree student.
- A student who will graduate before the spring semester begins, unless you have been admitted to an Illinois graduate, professional, or second baccalaureate degree for spring semester 2002.
- A student newly admitted to a University degree program. Information about your initial registration procedures will be included in your Notice of Admission.

## Advising Hold

Academic advising is recommended for all students and is required in most programs. You are encouraged to meet with your adviser to discuss your plan of study before using U of I DIRECT to register.

An advising hold may be placed on your record if you are in a college/department in which advising is a mandatory prerequisite to registration. In such cases you must complete an advising session before your college/department will clear you to enroll using U of I DIRECT. For additional information on the advising hold, please contact your college office.

## Encumbrances

Academic and administrative offices may place encumbrances on your record for academic reasons, funds owed to the University, judicial reasons, and for failure to meet medical/immunization requirements. If you have an encumbrance(s) on your record, resolve it with the appropriate campus office as soon as possible. You will be informed of any encumbrance(s) on your Invitation to Register, on your Official Class Schedule and each time you access U of I DIRECT. An encumbrance will not prohibit you from participating in early registration. You can continue to use the system to make course changes

until approximately three weeks prior to the beginning of the term.

All encumbered students will be blocked from access to the U of I DIRECT registration sequence approximately three weeks prior to the beginning of the term. Students will be alerted to the presence of any encumbrance(s) on the Official Class Schedule and directed to the appropriate office(s) to resolve them. **Failure to resolve the encumbrance(s) prior to 5:00 PM of the first day of instruction will result in cancellation of your course registration for the term.**

## Enrollment Requirements and Prerequisites

Many courses carry prerequisites and other enrollment requirements such as "consent of instructor," "enrollment limited to majors," "seniors only," "honor students," etc. These requirements are listed with each course and many are computer controlled. You are expected to comply with these prerequisites and enrollment requirements. Failure to do so may result in your being removed from the course. Should you have questions regarding these requirements, please contact the teaching department.

## "Authorization Only" Courses

Some courses require departmental authorization prior to registration. If you are interested in an "authorization only" course listed in the *Timetable* you should consult the teaching department prior to your Registration Time. If you meet the enrollment requirements for the course, the department will authorize you online to enroll in the course. You, in turn, must register for the course using U of I DIRECT.

## Maximum/Minimum Enrollment Levels

The maximum amount of credit in which a student can enroll without special overload approval from his/her college office is:

### Fall and Spring Terms

Undergraduates	18 hours
Graduate, Vet Med, Medicine	5 units (20 hours)
Law	16 hours

### Summer Term 1

Undergraduates	4 hours
Graduate, Vet Med, Medicine	1½ units (6 hours)
Law	6 hours

### Summer Term 2

Undergraduates	9 hours
Graduate, Vet Med, Medicine	3 units (12 hours)
Law	6 hours

Should you wish to enroll above the established maximum, consult your college office.

**U OF I DIRECT** will display a warning message if you are not enrolled in a full course load for the term. Enrollment below the minimum may jeopardize your financial aid status, progress towards a degree, or visa status if you are an international student. Full-time enrollment for undergraduate students is 12 or more hours, for graduate students, 3 or more units.

During the fall and spring semesters, full-time undergraduate and professional students will not be permitted to reduce their credit load below 12 hours after the first day of instruction. College approval is required to carry a load of fewer than 12 hours.

### Credit-No Credit

The credit-no credit grading option is designed to encourage students to explore areas of academic interest that they might otherwise avoid for fear of poor grades. All students considering this option are cautioned that many graduate and professional schools consider applicants whose transcripts bear a significant number of nongrade symbols less favorably than applicants whose transcripts contain none or very few. Likewise, in computing a preadmission grade-point average, some schools may convert the NC symbol to a failing grade because they do not know whether the actual grade was a D or F.

Credit-no credit courses are not counted toward the grade-point average, but are included as part of the total credit hours and are assessed as credit hours.

Instructors are not informed of those students in their classes who are taking work under the credit-no credit option, and they report the usual letter grades at the end of the course. These grades are automatically converted to CR or NC. Grades of C- or better are required to earn credit.

The credit-no credit option is not available on **U OF I DIRECT**. Should you wish to elect this option, please consult your college office or graduate department.

### Policy on Intercollege Transfer

An intercollege transfer applicant is one who is currently registered in an undergraduate college at UIUC and who wishes to be considered for admission to another undergraduate college at UIUC. Intercollege transfer applicants are considered on the basis of the intercollege admission requirements of the new college and availability of space in the chosen programs. This policy does not apply to students in the Graduate College, a professional college, or the College of Nursing.

The campus has designated two periods each term for intercollege transfer. They are:

**TWO WEEKS PRIOR** to the beginning of the Registration Period for each term. Curriculum changes will not be allowed after registration begins.

**ONE WEEK PRIOR** to the start of instruction for the term and through the first week of instruction.

If you intend to apply for intercollege transfer, you should do so within these designated time frames. Your access to certain courses is dependent upon your college of enrollment.

### Student Health Insurance

The University's Board of Trustees requires that all students be covered by a health insurance plan, either the University's Student Health Insurance Plan or a plan determined by the University to be equivalent. Request for exemption from the health insurance fee, purchase of dependent coverage, etc., are limited to specific time periods at the beginning of each semester. See Student Health Insurance Plan section on page 22 for deadline dates and instructions.

### U OF I DIRECT Network ID and Password

To access **U OF I DIRECT**, you will use your Network ID and password. All UIUC students are assigned a Network ID and password when they are admitted to the University.

As with any computerized system, security of the data is a primary concern. In order to maintain the security of your student records and class schedule, it is imperative that you protect your Network ID and password. NEVER tell anyone your password. NEVER let anyone use your Network ID and password. The importance of your password is much like that of a bank card PIN—ALWAYS protect the privacy and security of your password. You are encouraged to change your password periodically to maintain the security of your Network ID.

You may change your Network ID password using a secure online Web page at <https://www-s.uiuc.edu/bluestem/kpasswd.cgi>. You may also change your password using a computer at any CCSO site. Staff at these locations can assist you. A document entitled, "Changing Your Network ID and Password" is also available at these sites. It describes the procedure you use to change your password. If you forget your password, go to the Account Services desk at the CCSO Resource Center at 1420 DCL between 8:30 and 5:00 PM, Monday through Friday to have your password reset so you can resume using your network ID.

If you have questions or concerns about your Network ID and password, contact the CCSO Resource Center (1420 DCL, 244-1258).

### Dial-up Access via Modem

You may access U of I DIRECT using a modem. For complete details, see the section entitled "U of I DIRECT Registration Instructions."

## U of I DIRECT Registration Checklist

### ☐ Have Your U of I DIRECT Registration Materials

To register for courses using U of I DIRECT you need:

U of I DIRECT Schedule Planning Form (located in the back of the *Timetable*)

Your Network ID and password

Your Registration Time from your Invitation to Register (available at [www.oar.uiuc.edu/current/grades.html](http://www.oar.uiuc.edu/current/grades.html) or contact the Records Service Center, 901 West Illinois Street, 333-6565).

### ☐ Meet with Your Adviser

ACADEMIC advising is recommended for all students and is required in many programs.

DISCUSS with your adviser alternative course selections in case your first choice offerings are full or unavailable to you.

COMPLETE the Schedule Planning Form as a guide.

### ☐ Prepare for Enrollment Restrictions that May Be Placed by Departments

#### Consent Instructor/Authorization Required:

If you plan to select courses requiring consent of instructor or departmental approval, contact the department offering the course to obtain permission PRIOR TO registering via U of I DIRECT. Approval to register in AUTHORIZATION ONLY courses is entered into the U of I DIRECT system online by the department offering the course. You, in turn, must register for the course using U of I DIRECT.

#### Independent Study Courses:

Independent study courses require the instructor's permission before registering. If you select an independent study course, obtain permission from the instructor PRIOR TO registering via U of I DIRECT.

#### Courses with Prerequisites:

Many courses have prerequisites. The prerequisites are intended to help you succeed in the course. You are expected to comply with them. You may be removed from a course for failure to comply with the prerequisites.

#### Courses with Restrictions:

Some courses have restrictions which limit registration to students meeting certain criteria, e.g., college, curricula, year in school, honors, or placement test scores. Many restrictions are computer controlled. You may be removed from a course if you do not meet the course criteria. Consult the department offering the course if exceptions to these restrictions are required.

### ☐ Clear Advising Hold and Encumbrances

IF YOU HAVE an advising hold and/or an encumbrance(s) on your record, that information will appear on your Invitation to Register and in the U of I DIRECT system.

THE ADVISING hold must be cleared online by your college or department before you can register using U of I DIRECT.

AN ENCUMBRANCE should be resolved as soon as possible, but will not block your access to U of I DIRECT registration until approximately three weeks prior to the first day of instruction for the term. If you have an encumbrance on your record as of 5:00 PM on the first day of instruction; your course registration for the term will be cancelled.

### ☐ Use a Computer on Campus (or via Modem) to Register

WITH THE foregoing steps completed, use your Schedule Planning Form (located in the back of the *Timetable*) as a guide to register in courses via U of I DIRECT. There are multiple points of access to U of I DIRECT conveniently located on campus. Many of these locations are listed in the *Timetable*. Dial-up access via modem is also available.

CONTINUING students can download the U of I DIRECT software to their own computers and run the application over a modem. See [www.uiuc.edu/ccso/pubs/connect/kermit/](http://www.uiuc.edu/ccso/pubs/connect/kermit/) for more information about downloading this program. This software is not available to incoming students.

### ☐ Register for a Complete Schedule

YOU ARE advised to register for a complete schedule of courses for the term as soon as possible following your Registration Time.

ALTHOUGH additional seats may become available in a few courses, and additional sections may be added to some courses prior to the start of the term, you should not delay completing your schedule based on the assumption that seats will eventually become available in courses which have closed.

COMPLETE a workable course schedule early, even if every course is not your first choice.

### ☐ Verify Your Addresses

YOU ARE required to provide a local and a home address. If either is blank, U of I DIRECT will require that you provide the addresses before you will be allowed to add courses.

MAKE CERTAIN that your local, home, and emergency addresses are correct so you don't miss any important information from the University.

### ☐ Graduate Students: Check Your Appointment

A GRADUATE student with a teaching or research appointment must choose menu option F from the U of I DIRECT Main Menu. Select the letter that corresponds to the percent time of your appointment to ensure that you receive proper credit for your tuition and service fee waivers.

### ☐ If you expect to receive your degree at the end of the term . . .

BE SURE to check menu option E to petition for your degree.

## U of I DIRECT Registration Instructions

### Logging on to U of I DIRECT

Once at a computer on campus that has the **U of I DIRECT** registration software, use the following instructions to access the system. Carefully follow the provided instructions that explain the necessary way to exit the system. Failure to do so may compromise your password.

### From a Macintosh on Campus

#### To log on:

**DOUBLE** click on the icon entitled "**U of I DIRECT** Registration". The location of this program will vary depending upon which computer you use. In the CCSO public sites, the **U of I DIRECT** registration program can be found in **MAC\_APPS:U of I DIRECT**.

A dialog box will prompt you to "Please enter your Network ID and password."

**PRESS** the <Tab> key until the Network ID field is highlighted.

**TYPE** in your Network ID.

**PRESS** the <Tab> key. The password field should be highlighted.

**TYPE** in your password.

**PRESS** <Return>. After a brief delay, you will see a message that says "Welcome to the **U of I DIRECT** System."

**FOLLOW** the instructions on the screen to continue. Complete your registration.

#### To log off:

**CHOOSE** option "X" on the Main Menu and press <Return>.

**FROM** the exit screen, choose "X" to exit the **U of I DIRECT** system and press <Return>.

**ONCE** you have chosen "X" to exit and pressed <Return>, the window should disappear, indicating that you have successfully exited the system.

### From a PC on Campus

#### To log on:

**RUN** the **U of I DIRECT** registration program. The location of this program will vary depending upon which computer you use. In the CCSO public sites, the **U of I DIRECT** registration program can be found on the menu under "Network Services."

**DOUBLE-CLICK** on the icon entitled "**U of I DIRECT** Registration."

**WHEN** prompted at the "Enter your Network ID:", type in your Network ID at the prompt and press <Enter>.

**NEXT** the program will prompt you for your "Password:" Type in your password and press <Enter>. After a brief delay, you will see a message that says "Welcome to the **U of I DIRECT** System." (If this message does not display, you may have typed your Network ID or password incorrectly. Run the program again and try retyping your Network ID and password).

**FOLLOW** the instructions on the screen to continue. Complete your registration.

#### To log off:

**CHOOSE** option "X" on the Main Menu and press <Enter>.

**FROM** the exit screen, choose "X" to exit the **U of I DIRECT** system and press <Enter>.

**ONCE** you have chosen "X" to exit and pressed <Enter> from the exit screen, you will see some messages including "Tickets destroyed". You have successfully exited the **U of I DIRECT** system. If you are at a CCSO site, remember to LOGOFF the machine, also.

### Dial-up Access via Modem

If you have the necessary equipment (modem and a computer) AND you are a continuing student, you can install the **U of I DIRECT** software on your computer. See [www.uiuc.edu/ccso/pubs/connect/kermi](http://www.uiuc.edu/ccso/pubs/connect/kermi) for directions.

If you have difficulty accessing **U of I DIRECT** with a modem, information and assistance is available from CCSO, phone 244-1258.

### IMPORTANT NOTICE

Access to **U of I Direct** will be terminated if you are found to be making excessive unsuccessful registration attempts. The department office should be consulted if you need assistance in adding a particular course.

# Part-Time, Late, and Visitor Registration

## Part-Time Nondegree Registration

If you are a part-time nondegree student, you may register between Thursday, Jan 17 and Friday, Jan 25. To register, follow the instructions for late registration. Part-time nondegree students who register on these dates will not be charged the late registration fine.

## Late Registration

CONDUCTED VIA U OF I DIRECT from Tuesday, Jan 15, until Friday, Jan 25. To complete late registration during this time period, follow the prior instructions in the *Timetable* beginning at "U of I DIRECT Registration Checklist."

Students registering on or after Monday, Jan 28, lose the privilege of using U of I DIRECT. Beginning Jan 28, after you have met with your adviser and secured any required course approvals and clearances, bring your completed Late Registration Form to the Records Service Center, 901 W. Illinois Street to complete registration.

**WARNING:** Very late registrants are reported to lenders of student loans as NOT REGISTERED until mid-term.

*There is a penalty for registering late.* You will be assessed a late registration fine of \$15 (amount subject to change) unless you are registering as a visitor.

## Registration of Visitors

A visitor is only a listener in a class and may not participate in any class activities. Visitors are not permitted in laboratory, military, kinesiology (other than theory), or studio classes. Students on "dropped" status are not eligible to attend classes as visitors.

To register as a visitor, written approval is required on an official Visitor's Permit available either at the Records Service Center, 901 W. Illinois Street, or at your college office. After obtaining the form, proceed according to one of the following conditions:

**IF YOU ARE** a currently enrolled student: Obtain permission from the instructor of the class and the approval of the dean of your college.

**IF YOU ARE** a former student not currently registered: Obtain the approval from the instructor of the class and the dean of the college in which you were last registered.

**IF YOU HAVE** not been previously registered at the University: Obtain the approval from the instructor of the class and the dean of the college in which the course is offered.

**IF YOU ARE** a staff employee of the University: In addition to obtaining other required approvals, you must secure the recommendation of the head of the department or unit in which you work.

After obtaining all required approvals on the Visitor's Permit form, bring the form to the Records Service Center, 901 W. Illinois Street to complete registration.

# Tuition and Fees

## Registration Charges, Payments, and Refunds

### Waivers and Exemptions

If you receive a waiver, you are assessed the amount of the charge but the amount is waived by University policy. Because you were assessed the charge, you are eligible to receive the benefits of the service provided by that charge.

If you are exempt from a particular charge, that charge is not assessed and therefore you are not eligible to receive the benefits of the services provided by the charge. If you have an exemption from any charge because you are registered in Credit Range IV, (law students Credit Ranges III, IV) you may obtain the benefits of the service provided by making individual arrangements. (See "Fees and How They Are Determined.")

Tuition and fee waivers are not granted for the Executive MBA or other full-cost programs. Detailed information on tuition and fee waivers and exemptions is published in the *Code of Policies and Procedures Applying to All Students*, which is available on the Web ([www.uiuc.edu/admin\\_manual/code](http://www.uiuc.edu/admin_manual/code)).

If you believe that you qualify for any of the waivers or exemptions, consult the staff at the Records Service Center, 901 W. Illinois Street.

### Tuition and Fee Assessments

Tuition rates are determined by the University Board of Trustees. Assessment is based on your college and your class, curriculum of enrollment, your residency classification, and your credit range.

### College of Enrollment

Your tuition rate is based in part on whether you are an undergraduate, graduate, or professional student. Among undergraduates in art, architecture, and music, there is a further differential between students in the lower (0-59.9 semester hours) and upper (60 semester hours or more) divisions.

Undergraduate nondegree students are assessed at the upper-division rate. All students enrolled in engineering, chemical and life sciences, and art, architecture, and music, and the master's of business administration curricula are assessed a tuition surcharge.

Because the Professional Veterinary Medicine Program requires a full course of study each term, students in that curriculum are assessed a single tuition rate for each of the four years of the program.

Students enrolled in the nursing and medical sciences programs on the Urbana-Champaign campus are assessed tuition at Chicago campus rates. Fees are assessed at Urbana-Champaign campus rates.

Information about tuition rates for students in flight training, study-abroad, Executive MBA, and other special-cost programs may be obtained at [www.oar.uiuc.edu/current](http://www.oar.uiuc.edu/current), the Records Service Center, 901 W. Illinois Street, [registration@oar.uiuc.edu](mailto:registration@oar.uiuc.edu), or by calling 217-333-0210.

### Residence Classification

Another factor in determining your tuition rate is your residence classification (resident or nonresident of Illinois as defined and determined according to regulations approved by the University Board of Trustees). Your classification is based on information you provide on your admission application and other credentials. Residency rules are available on the Web ([www.uoapa.uiuc.edu/residency.html](http://www.uoapa.uiuc.edu/residency.html)).

To request a change in your residency classification, obtain a petition at the Records Service Center, 901 W. Illinois Street. You must submit the petition by October 1. If you fail to submit a petition within the allotted time period, you lose all rights to a change in status and adjustment of your assessed tuition for the term. Telephone (217) 244-3216 for additional information.

## Fees and How They are Determined

The fee schedule is fixed by the University Board of Trustees and is calculated on the basis of the number of semester hours or units of credit for which you are registered. Fees to be assessed this semester are:

**General Fee:** Supports certain fixed costs of fee-supported buildings (IMPE, Ice Arena, Assembly Hall, Illini Union, Athletic Facilities, etc.) on campus.

**Service Fee:** Supports salaries, programming, general expenses, and utilities for campus auxiliary service units such as the Illini Union, the Assembly Hall, and Campus Recreation. (*Students exempt from this fee because they are registered in Credit Ranges III & IV may obtain the services by paying the spring semester fee at a cashier's window in 100 Henry Administration Building by no later than 4:00 PM, Feb 8, 2002.*)

**Health Service Fee:** Supports salaries, programming, general expenses, and utilities for McKinley Health Center and the Counseling Center. (*Students exempt from this fee because they are enrolled in Credit Ranges III & IV may obtain the services by paying the spring semester fee at the McKinley Health Center Business Office by no later than 5:00 PM, Feb 8, 2002.*)

**Health Insurance Fee:** Covers the cost of premiums to the insurance carrier and the cost of administering the program.

**Transportation Fee:** Supports a campus and community busing plan for students. (*Students exempt from this fee because they are enrolled in Credit Ranges III & IV may obtain the services by paying the spring semester fee at the Division of Campus Parking by no later than 5:00 PM, Feb 8, 2002.*)

**Flight Training Fee:** Charged each student enrolled in flight training courses in addition to regular tuition and fee registration charges; based on the nature of each course.

**Krannert Fee:** Refundable; supports productions at the Krannert Center for the Performing Arts.

**SEAL Fee:** Refundable; assessed students registered on campus to supplement existing financial aid for needy students.

**SORF:** Refundable; supports the Student Legal Service and assists in funding programs and/or services of registered student organizations.

**ISG Fee:** Refundable; supports the activities of student government.

*Students exempt from KCPA, SEAL, SORF, and ISG fees because they are registered in Credit Ranges III & IV may participate in them by paying a \$20 fee at a cashier's window in 100 Henry Administration Building by no later than 4:00 PM, Feb 8, 2002. The charge will cover all four fees which may not be purchased separately.*

For refund dates on all refundable fees, see the section "Refund of Special Fees."

## Tuition and Fees Billings and Payments

### Important Dates

Feb 1	Payment deadline if registered by 5:00 PM, Jan 25
Jan 28 and thereafter	Payment deadline is 4:00 PM on day of registration

Billings and payments for all registration charges, plus charges for University-operated housing, occur after classes begin. Billing is done on a Registration Statement of Charges and Aid which itemizes all registration charges, financial aid administered by the University, financial aid from external agencies (ISSC, VA, etc.), and any cash aid for which you are eligible. The statement also contains the date by which either full payment or the first payment on the installment plan (if approved) must be made. The availability of statements and the payment deadline dates are determined by when you register.

If you clear all encumbrances, and have classes on your record by the end of the first day of instruction (Jan 14), your Registration Statement of Charges and Aid will be mailed to your local address around Jan 18. Payment will be due on Feb 1. If your statement does not arrive by Jan 25, go to Window 7, 100 Henry Admin. Bldg. and request a duplicate. **IT IS YOUR RESPONSIBILITY AND OBLIGATION TO OBTAIN A STATEMENT AND TO PAY YOUR REGISTRATION CHARGES BY THE DUE DATE WHETHER OR NOT YOU RECEIVED A STATEMENT AT YOUR LOCAL ADDRESS.**

If you late register between Jan 21 and Jan 25, your payment will be due on Friday, Feb 1.

Your registration statement will be mailed to the local address you provide through U of I DIRECT. You may make payment by U.S. mail, registration drop boxes (located in the Illini Union and the Henry Administration Building), or in person at a cashier's window in 100 Henry Administration Building.

If you register Mon, Jan 28, or any day thereafter, Registration Services will provide you with a registration document that must be paid by 4:00 PM on the day of registration at a cashier's window in 100 Henry Administration Building.

### Payment Instructions

USE THE special registration drop boxes to return your payment. Do not use campus mailboxes.

ALLOW FIVE DAYS for delivery if you remit by U.S. mail.

DO NOT SEND CASH either through the mail or via the drop boxes.

IF PAYING WITH A DEBIT CARD, go to Window A in room 100 Henry Administration Building.

IF YOU MUST PAY IN CASH, pay at a cashier's window in 100 Henry Administration Building.

**Where Can I Make Payment?** If your payment deadline is Friday, Feb 1, you may use either U.S. mail or registration drop boxes (not campus mail boxes) to return your statement along with a check or money order in the correct amount. If you must pay in cash, go to a cashier's window in 100 Henry Administration Building.

Special registration drop boxes for payment of registration charges will be available until Friday, Feb 1, at the following locations:

**HENRY ADMINISTRATION BUILDING** (east and west entrances)

**ILLINI UNION** (southwest entrance)

**Can I Pay by Installment?** An installment plan for paying tuition and fees and single-student residence hall charges is available to students enrolled on campus. **This privilege is not extended to registration in extramural, correspondence, and Summer Term 1 courses, or to students to whom the privilege has been denied.**

Charges for the semester are collected in three installments; the first payable by the due date shown on the original statement, and the remaining installments payable in March and April.

A one-time finance charge of 1 percent of the total amount deferred, or \$2 (amount subject to change), whichever is greater, is made against accounts being paid under the installment plan. An installment payment of charges becomes delinquent on the first day of the month following the date payment was due. Students with delinquent accounts exceeding the dollar limitation may be denied charging privileges.

If you either pay your registration charges on the installment plan or make no payment at all and then later either withdraw from the University or reduce your registration to a lower

credit range after the established refund deadline date for the semester, you are liable for the full amount of tuition and fees assessed.

**What If I Don't Make Payment by the Due Date?** The due date for payment either in full or by installment is printed on your statement. If you do not make full or first-installment payment by the scheduled due date shown on the statement, **YOU WILL BE ASSESSED A \$25 (amount subject to change) REGISTRATION LATE PAYMENT CHARGE** that will be billed to your student account.

A delinquent service charge of 1½ percent or \$2 (amount subject to change), whichever is greater, is added per month to delinquent student accounts. At any point in the semester, a student who has a delinquent account exceeding the dollar limitation may be denied charging privileges. The delinquent service charge is applied to all items charged to the student account and for which payment is delinquent.

If you are in debt to the University at the end of any term, you may not be permitted to register in the University again. You are not entitled to receive either a diploma or an official transcript of your credits until you have either paid the indebtedness or made suitable arrangements for payment, unless you either have a bankruptcy petition that seeks a discharge of all such indebtedness or all such indebtedness has been discharged.

**Special Warnings about Payments.** A penalty of \$25 (amount subject to change) is assessed for each check you present to the University that is returned to the Office of Student Accounts and Cashiers because of insufficient funds or for other reasons. Check cashing privileges may be suspended when more than one check is returned to the University. In most cases, the person who endorses a two-party check is the one liable for any penalties charged if that check is returned.

Additional penalties, **INCLUDING DISMISSAL FROM THE UNIVERSITY**, may be imposed on students who permit their University accounts to become delinquent or who issue checks that are returned to the University unpaid.

## Taxpayer Relief Act of 1997

Several new tax benefits became available to eligible students and their families with the enactment of the Taxpayer Relief Act of 1997. This legislation grants eligible taxpayers a tax credit for qualified higher education expenses. Two of those credits are the Hope Scholarship Credit and the Lifetime Learning Credit.

The University of Illinois' Web site contains information about the Taxpayer Relief Act including information from the Internal Revenue Service (IRS). For a full explanation of the tax credits, visit the Web Page on the Internet.

[www.uoapa.uillinois.edu/TRA](http://www.uoapa.uillinois.edu/TRA)

**Important:** Please note that only the IRS or a tax professional can provide tax advice on this legislation. Contact one of these resources if you have questions about the law. The University cannot provide tax information or advice.

# Student Health Insurance Plan

The University provides and administers a health insurance plan which is mandatory for those students who have not provided proof of other equivalent health insurance coverage by the semester deadline. The fee for the plan is assessed along with other tuition and fees; tuition and fee waivers do not apply to the student insurance fee. Coverage is worldwide and extends, including breaks, from the first day of the semester (Summer 2 is a semester) to the first day of the following semester. The insurance plan is independent of McKinley Health Service and benefits are not contingent upon McKinley Health Service referrals. Benefits are detailed in the Student Health Insurance Plan booklet which is available at the Student Insurance Office at 807 South Wright, Suite 480, Champaign, IL 61820, (217) 333-0165, or on the Web at [webster.uihr.uiuc.edu/students](http://webster.uihr.uiuc.edu/students). See below for information and instructions regarding fee exemption, dependent coverage, etc.

## Spring Semester Health Insurance - Enrollment Change Period:

Jan 14 to Noon, Friday, Feb 1: Student Insurance Office, 807 S. Wright, Suite 480

All Student Insurance transactions must be accomplished by the **Insurance Deadline** either in person or by U. S. Mail to the Student Insurance Office located at 807 S. Wright, Suite 480, postmarked on or before the Insurance Deadline. Visit our Web site at [webster.uihr.uiuc.edu/students](http://webster.uihr.uiuc.edu/students) to download required forms, or call (217) 333-0165. Requests made by any other means will be invalid and could result in missing the deadline.

## Purchase Health Insurance for Spouse and/or Children

**MUST BE** applied for during the Enrollment/Change Period identified above, either in person, or postmarked through the U. S. Mail to the Student Insurance Office, 807 S. Wright, Suite 480. See our Web site at [webster.uihr.uiuc.edu/students](http://webster.uihr.uiuc.edu/students) to download necessary forms, or call (217) 333-0165.

**DEPENDENT** coverage becomes effective on the date of application and receipt of premium or the beginning date of the semester for which coverage is being purchased, whichever is later.

**DEPENDENTS** insured the prior semester will have no lapse in coverage provided the application and premium are received during the enrollment change period.

**DEPENDENTS** acquired (marriage, birth, entry into U.S.) after the above enrollment period may be added to coverage provided application is made and premium paid within 31 days of the eligibility date (date of marriage, birth, or entry into U.S.). Coverage becomes effective on the date of eligibility. Payment of a full semester's premium for the semester in which the eligibility date occurred is required.

## Coverage Extensions beyond Last Semester Enrolled and Insured

**INSURANCE** coverage ends on the beginning date of the next semester; however, it can be extended for the next school period if an Extension is purchased by the semester deadline. For example, if you were a student and insured for Spring and will not be a student in the Summer Term 2, coverage will not continue through Summer Term 2 unless you elect to purchase a Summer 2 Extension.

**EXTENSIONS** for spring semester may be purchased beginning Dec 3, 2001 through Feb 1, 2002 at the Student Insurance Office, 807 S. Wright, Suite 480.

**THE PREMIUM** is payable at time of application.

## Exemption from Health Insurance Fee

**PETITIONS** for exemption must be completed in person or postmarked through the U. S. Mail to the Student Insurance Office, 807 S. Wright, Suite 480, during the Enrollment Change Period identified above. See our Web site at [webster.uihr.uiuc.edu/students](http://webster.uihr.uiuc.edu/students) to download necessary forms, or call (217) 333-0165.

**PROOF** of other insurance must be provided; acceptable proof can be your insurance identification card, a copy of the policy, plan booklet, or notice on company letterhead from the employer or company certifying your coverage. Other insurance

must be in effect by the first day of instruction for the semester exemption is requested.

**AN EXEMPTION** will automatically continue until reinstatement to the plan is requested (see Reinstatement below) or if you do not respond to a periodic request to confirm that you continue to be covered by another health insurance plan, or three consecutive semesters of non-registered status. Summer Term 2 is a semester.

## Reinstatement Conditions

**APPLY** within 45 days of the loss of other insurance; coverage is guaranteed and will be effective the date of application or date of other coverage termination, whichever is later. Proof of other coverage termination is required.

**APPLY** more than 45 days after loss of other insurance or if no loss of other coverage has occurred, by enrolling for Open Reinstatement. This can only be done during the enrollment/change period. Coverage is effective the date of application and will be subject to a pre-existing condition limitation for the first 12 months of coverage.

**A FULL** semester premium is required regardless of effective date.

## Graduate Student Dental and Vision Assistance Plan

Graduate assistants and fellows who have tuition waivers accompanying their appointments in the spring term will be automatically enrolled for 12 months without charge in the dental and vision plan upon the completion of their appointment papers. All other graduate students, as well as dependents of graduate students and assistants, will be able to enroll in the same basic dental and vision program by completing the necessary enrollment form and paying the annual premium. The spring enrollment period is the same as that for student health insurance, Jan 14, 2002 through noon on Feb 1, 2002. Enrollment for the dental and vision plan can be done at 807 S. Wright, Suite 480 during this period. A brochure describing the Graduate Student Dental Plan and the Vision Service Plan is available from the Student Insurance Office.

# Refunds

## Reduction of Program Range

If you reduce your course enrollment to a lower assessment range (e.g., from Range I to Range II), you receive a refund of the full difference between the two ranges, provided the change is made by 5:00 PM, Friday, Jan 25, 2002. No refund is available thereafter.

In the case of extenuating circumstances, such as medically documented serious illness or injury, an exception to the refund period may be made by the director of admissions and records, acting on a petition submitted by a student.

In all cases, a student who is enrolled in only one course and who wishes to discontinue enrollment must withdraw from the University by completing the withdrawal process by the stated deadline. (See Withdrawal From the University)

## Refund Deadlines

You may be released from your obligation to pay **all** of spring semester tuition and fees by canceling your registration by 5:00 PM, Jan. 14, 2002.

You may be released from your obligation to pay **part** of spring semester tuition and fees by:

**REDUCING** your program by 5:00 PM, Friday, Jan 25, 2002.

**WITHDRAWING** from the University by 4:00 PM, Friday, March 29, 2002.

## Refunds of Special Fees (Subject to change)

**Krannert Fee.** A refund of the Krannert Fee is available to those students who do not desire to participate. This refund is available February 11–15.

**SORF.** A refund of SORF is available to those students who do not desire to participate. This refund is available February 18–22.

**ISG.** A refund of ISG is available to those who do not desire to participate. This refund is available February 18–22.

**SEAL Fee.** A refund of the SEAL Fee is available to those students who do not desire to participate. This refund is available February 25–March 1.

**Flight Training Fee.** If you withdraw from a flight-training or glider course you will receive a refund of the unused portion of the flight-training, glider, or aviation course fees, upon recommendation of the Institute of Aviation.

## Canceling Your Registration

Before the end of the first day of instruction, you may cancel your registration and be relieved of all tuition and fee charges. You may cancel your registration in one of the following ways:

**ONLINE** by using **U of IDIRET**, no later than 5:00 PM on the first day of instruction of the term you wish to cancel.

**BY SUBMITTING** a request for cancellation of registration to the Office of Admissions and Records. The request must be received no later than 5:00 PM on the first day of instruction of the term you wish to cancel. Requests by mail should be addressed to the Office of Admissions and Records, 901 W. Illinois Street, Urbana, IL 61801.

**IN PERSON** at the Records Service Center, 901 W. Illinois Street, by 5:00 PM on the first day of instruction of the term you wish to cancel.

You may cancel your registration provided you have neither attended any classes nor received any related student services. If you cancel your registration and do not plan to return for a future term, you must also cancel any future courses for which you have registered.

If you either attend a class or use campus services and then wish to leave the University, you must officially withdraw.

# Withdrawal from the University

To withdraw, you must follow established withdrawal procedures beginning with completion of a withdrawal form available from the office of the dean of your college or graduate department.

To obtain a partial refund of spring semester registration charges, you must deposit a completed withdrawal form at the Records Service Center, 901 W. Illinois Street, no later than 5:00 PM, Friday, March 29, 2002. No refund is available thereafter. In cases of extenuating circumstances, such as medically documented illness or injury, an exception to the refund period may be made by the director of admissions and records, acting on a petition submitted by a student. Petition forms are available at the Records Service Center, 901 W. Illinois Street.

If you officially withdraw within the refund period, a **pro-rata refund based upon the effective date on the withdrawal clearance form will be generated. Financial Aid and any other charges owed to the University will be subtracted before a refund check is sent to you.**

Withdrawal effective date:	Percent of assessed tuition and refundable fees refunded:
Jan 14, 2002	100 percent (cancellation)
Jan 25, 2002	90 percent
Feb 1, 2002	80 percent
Feb 15, 2002	70 percent
March 1, 2002	60 percent
March 8, 2002	50 percent
March 29, 2002	40 percent

Assessed tuition, the service fee, the general fee, and the transportation fee are refunded on a pro-rata basis, less a pro-rata administrative fee of 5% of the assessed amount or \$100, whichever is less. The health insurance and health services fees are not refundable. **You will be responsible for paying these fees.**

If you withdraw, you continue to be covered by health insurance and are eligible to receive health services (if you paid these fees) until the first day of instruction for the next term. Before a refund is made to you, the University must make a refund to appropriate financial aid programs providing assistance to you. If you are indebted to the University at the time of withdrawal, the amount owed will be deducted from the amount of any refund available.

If you are permitted to pay tuition and fees on the installment plan, or if you make no payment at all, and then withdraw from the University, you are liable for the full amount of tuition and fees originally assessed less applicable refunds.

Special refund policies apply to those who withdraw to enter either active duty in the armed forces or other approved national defense service.

## Course Listings

The following *Timetable* of courses offered by the University is subject to whatever changes may prove necessary at registration time. Notices of all changes in time or place of meeting of classes will be posted to the online *Timetable* (see page 2).

### Arrangement

The arrangement of subjects in this *Timetable* is alphabetical. The courses offered in each subject are listed numerically with headings to indicate the students for whom they are designed. Courses for undergraduates (designed primarily for freshmen and sophomores) are numbered 100 to 199; for undergraduates who satisfy the published requirements, 200 to 299; for primarily junior, senior, professional, and graduate students, 300 to 399; for graduate and professional students, 400 and above. Following the title of each course is a statement of the requirements, if any, for admission to the course.

### Class Periods

Class periods for each course are indicated by numerals for the hours of the day and by letters for the days of the week. For example, 8-10 MTWTh+ indicates that class periods begin at 8:00 AM and continue for approximately two hours on Monday, Tuesday, Wednesday, and Thursday; 11-1230 TT+ means that class periods begin at 11:00 AM and continue for ninety minutes on Tuesday and Thursday. Any class beginning after 6:00 PM is indicated by the letters PM. For example, 730-930PM+ indicates that the class period begins at 7:30 PM and continues until approximately 9:30 PM.

### Class Locations

The place of meeting of each class is shown by the number of the room and the name of the building. A listing of the building abbreviations may be found in this *Timetable* (see page 30).

### Credit

Credit for undergraduate courses is counted in semester hours. A semester hour is one class period a week for one semester or the equivalent in laboratory work, fieldwork, or approved independent study. The number of hours for which each course counts is shown under the course.

Credit for graduate courses is counted in units. The unit value of each graduate course is indicated under the course. No course may be taken for graduate credit unless it is so designated in this *Timetable* or the online *Timetable*. In general, 1 graduate unit is the equivalent of 4 semester hours of undergraduate credit.

Some courses have variable credit, such as 3 to 5 hours or 0 to 2 units; in registering for a course with variable credit each student indicates the number of hours or units for which he or she intends to take the course on the U OF I DIRECT screen at the time of registration.

A course may not be taken for zero credit unless such credit is specifically authorized in the *Timetable*.

### Pending Sections

Pending sections are sections shown in the *Timetable*, but not yet open for students to register in. They are identified by the letters "PEND" in the space where the call number normally appears.

Departments may open pending sections later, if they have the staff to teach them and enough students enrolled. Once a pending section is opened, its call number appears both as an alternate selection on the registration screen, and in the *Timetable* listed on the Web.

You cannot enroll in a pending section until it is opened by the department. If you have questions about the possibility of a pending section being opened, please contact the department offering the course.

## First-Year Discovery Courses

In the First-Year Discovery Program, entry-level undergraduates can choose from a variety of small, faculty-taught courses that provide an opportunity to interact with faculty and other students from the start. Discovery sections are offered in many formats and disciplines, but all have in common the goal of helping first-year students in the transition to the intellectual community of the campus. All Discovery sections are small, with enrollments limited to twenty students or fewer; all are faculty-taught and interactive.

Discovery courses are listed in the body of the *Timetable*, where you can find the complete information needed to register for the courses, including the call numbers as well as

the lecture/lab/discussion section times and locations, and any enrollment restrictions. Descriptions of the courses and the faculty who will teach them can be found in the Discovery Booklet provided to all new freshmen students when they register during the summer. Course descriptions and faculty bios are also available at [www.provost.uiuc.edu/discovery/](http://www.provost.uiuc.edu/discovery/).

Registration in the Discovery Program is restricted to first-year students. For a complete list of Discovery Courses, see the separate Discovery booklet, available in October.

## Campuswide General Education Courses

Courses approved for campus-wide General Education credit are identified throughout the *Timetable* using the abbreviations below:

Comp II = Composition II

W = Western/Comparative Culture(s)

NW = Non-Western Culture(s)

US = US Minority Culture(s)

HP = Historical and Philosophical Perspectives

LA = Literature and the Arts

LS = Life Sciences

PS = Physical Sciences

QRI = Quantitative Reasoning I

BS = Behavioral Sciences

SS = Social Sciences

Although all of the courses marked as General Education in the *Timetable* are approved on the campus level, they may not satisfy specific requirements in individual curricula. Therefore, campus-wide approval does not guarantee that a course will satisfy the requirements of a specific college or curriculum. Students in teacher education programs must consult the Council on Teacher Education General Education Course List when selecting their courses to meet General Education requirements. All other students should consult their advisors about selecting the General Education courses which best fit their programs of study.

Please note that some courses are part of a General Education sequence and all courses in the sequence must be taken to receive General Education credit.

For General Education requirements and current course lists, see the General Education Web site at [www.provost.uiuc.edu/gened](http://www.provost.uiuc.edu/gened).

3:00 or 3:30 PM	Tuesday	1:30–4:30 PM, Tue, May 7
4:00 PM or later	Monday	7:00–10:00 PM, Fri, May 3
4:00 PM or later	Tuesday	7:00–10:00 PM, Thu, May 9

**THE FINAL examination for a course is scheduled according to the full or half hour on Monday or Tuesday on which the class first meets regularly during the semester.** For example, if a course meets regularly at 10:00 AM on MWF, the examination must be given from 1:30 to 4:30 PM on Monday, May 6. The final examination for a course meeting regularly on TuTh from 2:30 to 4:00 PM must be given from 1:30 to 4:30 PM on Friday, May 3.

IN A COURSE having a combination of lecture and discussion and/or laboratory periods, the first *lecture* hour of the week is considered the first contact of the week for purposes of determining examination time. Call 244-9851 with questions about this.

FOR A COURSE not provided for in the examination schedule (i.e., one that meets for the first time on Wednesday or later), an arranged examination is to be given within the established examination schedule at the discretion of the instructor and at a time to avoid conflicts. A conflict examination must be given if necessary. The instructor must call the departmental office to schedule the room for the examination.

ANY COLLEGE of Education course at the 300- or 400-level that meets once a week must have a final examination on the same day and at the same time that the class regularly meets. The Office of Facility Management and Scheduling will make room assignments for such courses.

## Spring Semester 2002 Noncombined Final Examination Schedule

May 3 Through May 10, 2002<sup>1</sup>

This schedule does not apply to courses in the Colleges of Law and Veterinary Medicine, which publish separate schedules.

Illinois law requires the University to reasonably accommodate its students' religious beliefs, observances, and practices in regard to admissions, class attendance, and the scheduling of examinations and work requirements. All regulations governing final examinations will be applied in the context that an individual student's religious beliefs, observances, and practices will be reasonably accommodated if the student informs his or her instructor of the conflict within one week after being informed of the final examination schedule. Any student may appeal in writing an instructor's adverse decision to a request based on religious beliefs, observances, and practices; such appeal must be made to the dean of the student's college or to the director or dean of the student's school or institute (if such school or institute is organized as a separate unit). Before taking action, the dean or director should request that the instructor explain his or her denial in writing.

### Requirement

A final examination must be given during the scheduled final examination period for each course except in a course that has a character that renders a final examination unnecessary or impracticable. The head or chairperson of the academic department in which the course is offered determines when a final examination is not required.

### Time of Examination

An instructor must give a final examination at the time specified in the published schedule unless a change is approved in advance through the Office of the Vice-Chancellor for Academic Affairs. A request for change must be submitted through the executive officer of the department or school (if applicable) in which the course is offered and the dean of the appropriate college. **Requests for examination changes should be made only in cases of legitimate need and not just for the convenience of students and instructors.**

A request for change in the examination schedule will not be considered for approval unless the instructor

HAS POLLED the class to determine that an alternative date is desired by a majority of the class members, and

ALSO OFFERS the examination at the regularly scheduled time if some choose not to take it at the alternate time, and,

HAS CONTACTED the Office of Facility Management and Scheduling (244-9851) and has assurance that space is available in which to give the examination at an alternate time, if approved. The Office of Facility Management and Scheduling will not confirm space availability for early examinations until the twelfth week of the semester.

No semester final examination should be given during a "regular" class period unless this is deemed necessary by virtue of the course or the examination (e.g., a laboratory "practical" examination as one part of a final examination).

### NOTE:

**Undergraduate Students:** Except as provided for a request based on religious beliefs, observances, and practices, only the dean of a student's college may approve temporary postponement of the final examination in an individual case of an undergraduate student.

**Graduate Students:** A student's instructor is authorized to approve a request for postponement of the final examination in an individual case of a graduate student.

The 6-year graduation rate for students who entered school in the Fall of 1994 is 76.4%. This number is provided by the Office for Academic Policy Analysis. A complete student right-to-know report may be obtained from the Office of Public Affairs, 601 E. John, Champaign, IL 61820.

<sup>1</sup>An examination for a first half-term course should be scheduled at the end of the first half-term period; second half-term final examinations follow the schedule shown on page 31. If a first half-term examination is not scheduled in the regular classroom at the time the class usually meets, a special examination room must be reserved through the Office of Facility Management and Scheduling, 333-1230.

## Place of Examination

An examination will be held in the room where the course meets for the first lecture contact hour of the week, except in the case of a combined-sections examination, an examination for a course in which the instructor has requested additional space for the final examination, or a specifically scheduled examination. Instructors are to announce any special or changed room assignments.

## Take-Home Examination

If a take-home final examination is assigned, it is to be submitted by the student at the time and date of the regularly scheduled final examination. An instructor who wishes to depart from this practice, must follow the procedure for changing the final examination schedule as stated elsewhere in this section.

## Length of Examination

The maximum limit for an undergraduate final examination shall be three hours, except by special arrangement in individual cases approved by the dean of the appropriate college. At the discretion of the department, a shorter examination may be given.

## Conflicts

Normally in a semester several combined-section, conflict, and noncombined examinations are given at the same time. As a guide to resolving conflicts, an order of priority has been established within each examination period, and a student should resolve a conflict using the published examination schedules and the following priority guidelines.

- 1) National and state professional examinations (e.g., CPA, actuarial science, Architect Registration Examination) take priority over campus final examinations. An instructor must offer a conflict examination to a student scheduled to take national or state professional examination and a campus final examination at the same time.
- 2) A noncombined examination has precedence over combined-sections and conflict examinations.
- 3) Combined-sections examinations have precedence over conflict examinations.
- 4) A department offering a combined-sections final examination must provide a conflict examination if required to accommodate student conflicts.

A detailed combined-sections and conflict final examination schedule will be made available to departments on the Web.

## Students Having More than Two Consecutive Final Examinations

No student is required to take more than two consecutive semester final examinations. This means that if you take final examinations at 8:00 AM and 1:30 PM on the same day, you cannot be required to take another final examination that same day; however, you are required to take an examination scheduled for 8:00 AM the following day.

Similarly, if you have a final examination at 7:00 PM one day and another at 8:00 AM the next day, you cannot be required to take an examination at 1:30 PM that second day; you can, however, be required to take an examination at 7:00 PM of that second day.

If you have more than two consecutive final examinations scheduled, you are entitled to rescheduling, provided you take the following actions *no later than the last official day of instruction in the semester (May 1)*:

- 1) YOU MUST investigate whether a conflict examination is being held at another time for any of the examinations involved. (Instructional staff members are urged to announce any conflict final examinations by the last day of classes.)

IF A CONFLICT examination has been scheduled for any of the courses, you must take one or more of these conflict examinations. If conflict examinations are offered for more than one course, the student must take the conflict for the course that has the largest number of students.

IF NO CONFLICT examinations have been scheduled, you should contact the instructor of the course having the largest number of students. That instructor **must** provide a makeup examination. Remember, you must initiate contact with the instructor involved no later than the last day of instruction.

## Discipline for Violations of Academic Integrity

Procedures to be followed in cases of alleged cheating on final examinations may be found in the *Code of Policies and Regulations Applying to All Students*, which is available on the Web ([www.uiuc.edu/admin\\_manual/code](http://www.uiuc.edu/admin_manual/code)).

The revolution in biology has the potential to radically alter both our concept of ourselves and our very nature as organisms, even as it is now reshaping the organisms we use. Over the first part of this century we will be facing fundamental and irrevocable decisions about how we will determine the future of humankind. Biology has developed the tools to do this, but the decisions about what should be done are of potential professional interest to every discipline on this campus.

For the academic year 2001-02 the Center for Advanced Study is planning an initiative entitled 'The New Biology: Issues and Opportunities.' Besides this faculty graduate student seminar there will be a colloquium in the fall and a two-day conference in the spring. Other satellite events are being considered as well.

The goals of The New Biology include 1) to delineate and imagine what developments in biotechnology and medical research are likely to emanate from the full knowledge of genome sequence and our growing ability to translate knowledge of genome structure into functional knowledge, and 2) to consider the implications of this revolution in knowledge of ourselves for our institutions and our society.

The goal of this 2 semester project is to introduce students to the motivation and requirements for building intelligent and mobile information spaces and to engage them in learning how to design information appliances

The project will 1) teach students how to design and build such spaces, and 2) encourage the use of these spaces in the existing computer science curriculum. Each student will be issued with an HP Jornada 680 and will have access to an HP Kayak workstation and Chai software development environment.

NOTE - STUDENTS ARE REQUIRED TO REGISTER FOR THIS COURSE IN AT LEAST TWO CONSECUTIVE SEMESTERS (summers may be excluded) TO RECEIVE ANY CREDIT FOR IT

HONORS SEMINAR: TOPICS IN ELECTRICITY AND MAGNETISM.  
PREREQUISITES: PHYSICS 111, CONCURRENT REGISTRATION IN PHYSICS 112,  
AND CONSENT OF INSTRUCTOR.  
\*PHYSICS 199H0 CAN BE USED TO SATISFY THE HONORS COMPONENT OF  
PHYSICS 112.

Students investigate special topics in electricity and magnetism  
through weekly meetings [similar in format to the discussion  
sections of Physics 111 and 112]. Students will derive for  
themselves some of the surprising features of our post-classical  
physical world. For example, the need for special relativity, the  
existence of magnetic fields, and the origin of electromagnetic  
radiation are consequences of simple observations such as the  
constancy of the speed of light. Other topics will include the  
nature of Gauss' law and Maxwell's equations, potentials and  
superposition, amplifiers, analog computers, and the role of  
quantum mechanics in electrodynamics.

PHYSICS 199H0 is intended for students who have been comfortable  
with the level of difficulty of PHYSICS 111, and whose math skills  
are reasonably strong. It allows students to confront in greater  
depth some of the most interesting intellectual issues in classical  
electrodynamics. The course will use calculus as a problem-solving  
tool.

**PHYS 398B10****INTRODUCTION TO BIOLOGICAL PHYSICS**

We will apply simple yet powerful ideas of physics to gain some  
understanding of biology. (What is the inertia of a bacteria  
and how does this affect its behavior?) We will begin with  
atoms, move to molecules, then macromolecules, then cells, and  
finally whole systems. For example, how do we see? The  
answer: photons cause the release of chemicals that create  
electricity. How do we move? The answer: tiny biomolecular  
motors break chemical bonds, using the energy to create force  
and motion with efficiencies that put man-made machines to  
shame. These motors, and indeed, much of biology at the  
molecular level, operate at the nanometer (one-billionth of  
a meter) and piconewton (11 trillionth of a pound) scales.  
How can we measure such tiny things? Come find out!

Emphasis is on applications, and a broad range of illustrative  
examples will be explored. Students do not need to have taken PHYS  
498MMA [or 411/412]. Primary topics include: complex variables  
[analyticity, Cauchy's theorem, residue calculus, conformal  
mappings], integral transforms, asymptotic techniques, Riemann  
surfaces], group theory in classical and quantum systems [discrete  
and continuous groups, representation theory, physical applications  
of topology], tensors in physics [Cartesian tensors, curved spaces,  
elementary Riemannian geometry], aspects of probability theory  
[Langevin and Fokker-Planck equations, Gaussian random variables and

cell from the theoretical physics perspective. The course will be  
based on case studies from the fields of photosynthesis, vision,  
cell signaling, cell motion, gene regulation, protein folding, and  
neural information processing. Physical concepts, mathematical  
techniques, and computational methods required in modern biophysics  
will be introduced. Emphasis will be on the multi-scale  
organization and multi-physics mechanisms of living systems. The  
latter mechanisms link various domains of theoretical physics like  
classical molecular dynamics, elasticity theory, electrostatics,  
stochastic mechanics of classical and quantum systems, molecular

# Study in the REAL WORLD

## Prague

Prague has enjoyed a renaissance in the last few years. The center of town is filled with cafes, modern shops and restaurants in a medieval setting.

The city's intellectual heart is Charles University where you will have an opportunity to study during Summer Study Abroad.

# OCE Summer Study Abroad Programs

Prague is a beautiful cultural, intellectual, and historical center. It is located near the world's most important wildlife park, Kruger National Park.

During your six week study tour, you will experience the nation's rich cultural, intellectual, and natural heritage.

**THE CENTER FOR  
ADVANCED STUDY**

University of Illinois at Urbana-Champaign

The mission of the Center is to promote and encourage creative achievement and scholarship across all disciplines and at all levels of campus life. We bestow the honorary title of **CAS Professor** on our most eminent faculty, and offer a semester of release-time to our most promising tenured (**Associate**) and untenured (**Fellow**) faculty. Our **John Bardeen Scholars** program offers fellowships to both graduate and undergraduate students. We also bring to campus visiting scholars and creative artists through our **George A. Miller Visiting Scholars and Professors** program.

We encourage cross-disciplinary interactions by sponsoring an array of public events. Our **CAS/MillerComm series** brings to campus many important intellectuals and performers from a wide range of disciplines throughout the year. We also organize a conference or annual series of speakers related to a specific theme. Our Spring 2002 conference (March 8 and 9), part of **The New Biology: Issues and Opportunities** initiative, will feature speakers from the social sciences, biological and chemical sciences, and humanities. Next year, we will offer campus **The Ethnography of the University** that will be devoted to faculty research, pedagogy, and student research concerning the University. This project aims to bring together researchers from all parts of campus who focus on UIUC as a site and object of study, and explore the feasibility of a web-based database of the resulting collective information.

Please contact the Center for Advanced Study at 333-6729 or visit our website at [www.cas.uiuc.edu](http://www.cas.uiuc.edu) for program application guidelines. Information about our public events is listed on our website. A list of our public events hotline 333-3718.
